**Sale opens 8/22/2025 and
closes at 7 PM 8/25/2025**

Welcome

to the Southern Invitational Registered Brahman & F1's Sale

Philip, Lane
and Jennifer Gilstrap

Welcome to the *Southern Invitational Brahman and F-1 Sale*—where top genetics, elite quality, and opportunity meet in one powerful weekend! We're thrilled to bring you a lineup that reflects the very best of what

this breed has to offer. This isn't just another sale—it's a carefully curated event designed to help serious breeders take the next step in building a standout program.

From proven donors and herd bulls to performance-driven F-1 females, every lot was selected with

purpose, aiming to bring value, consistency, and versatility to your operation. Whether you're expanding your herd or looking to inject elite bloodlines, this offering delivers.

Join us in person for the LIVE sale in Troy, AL on **August 23rd**, and don't forget to participate in the **Genetic Sale**, closing online at bestcattlesales.com on **Monday, August 25th at 7:00 PM**.

To our partners, bidders, and friends—thank you for your continued support. We can't wait to shake your hand, talk cattle, and build lasting relationships. Let's make this one to remember!

Philip Gilstrap and Asa Lee

Proxy Bidding on Best Cattle Sales

Each animal will be sold to the highest bidder. Proxy bids will be accepted for all LIVE lots BEFORE the sale. The sale order is determined on August 22nd. After the sale order is set bids can still be made on all lots, but not proxy bids. If there is a proxy bid on a lot during the sale we will consider the online proxy bid to be the winning bid over any tie bids taken in the auction house, as that bid would have been submitted BEFORE the bid was taken in the house.

Example of a tie bid; Lot XX has a current bid of \$4500 online and has a proxy bid of \$5000 that is an anonymous bid online. When the auctioneer asks and gets a bid for \$5000 from a live bidder at the stockyards, the online system will show the proxy bid of \$5000 as the winning bid. So the tied high bid goes to the internet proxy bid. If the bidder in the stockyard bids again they will be the winning bidder. This only applies to tie bids.

TERMS & CONDITIONS

Terms of the sale are cash or check to the Clerk at the conclusion of the sale.

Bidding: Each animal will be sold to the highest bidder. The auctioneer will settle any dispute as to the bid. Each animal will be at the purchaser's risk as soon as sold, but will not be delivered until settlement has been made.

Breeding Guarantee: Every animal in this sale is, to the best of the breeder's knowledge, free from any disease and are all sound. If an animal fails to breed after a trial of six months, it may be returned to the seller in good condition. Seller reserves the right to try said animal for a trial of six months and if it proves to be a breeder, return it at the buyer's expense. If the animal proves to be a non breeder, an animal of comparable rank or credit on the purchase of another animal will be offered. Cows with calves at side are considered breeders with no further guarantee.

Certificate: The certificate of registration will be mailed to the buyer after payment.

Announcements: Announcements from the auction box will take precedence over the printed information in this catalog. All cattle will be sold by lot numbers as announced by the auctioneer.

Health: All animals sell with an interstate health certificate.

Liability: All persons who attend the sale do so at their own risk and owners and sale managers assume no liability, legal or otherwise, for any accidents that may occur.

Rights and Obligations: The terms and conditions of this sale shall constitute a contract between buyers and sellers of each animal and shall be equally binding upon both. Neither the owner, the sale manager, nor any person connected with the management of the sale assume liability, legal or otherwise.

ALL GUARANTEES ARE BETWEEN THE BUYER AND THE SELLER.

Trucking: There will be people available to haul. Numbers will be made available sale day.

LOT 1 - CP POLLED PISTOL ANNIE 8/3 (P) - 65R RANCH

Meet the female everyone's been waiting for—CP Polled Pistol Annie 8/3 (P). This smooth-polled beauty is long-bodied, easy-fleshing, and eye-catching from every angle. Sired by LMC Polled Stuntman 30/0 (PP), a homozygous polled bull with global influence and backed by the legendary Polled Pathfinder, Annie brings rare and elite genetics to the table. Her paternal granddam,

LMC Polled Muneca 760, was still producing at 15 years old—proven longevity. On the dam side, she's out of Miss JSM Charcoal Baby 33, a productive, soft-uddered female with "mama cow" written all over her and top-tier docility. Annie isn't just a pretty face—she ranks among the best in the breed for birthweight, yearling weight, carcass weight, and ribeye area. With her genetic power, striking look, and rare polled package, Annie is built to add value and visibility to any serious breeding program. It is to note that Annie will come to the sale confirmed bred to FH Mr. Man of Steele 523. If you're after a female that combines performance, pedigree, and eye appeal in one exclusive offering—don't miss the BLACK SPOTTED POLLED, CP Polled Pistol Annie 8/3 (P).

HERD SIRE PROSPECT OF THE SALE! When only the best will do, Lee's Mr. Polled Parker Manso stands tall above the rest. This bull has the power, balance, and flawless structure every serious cattleman demands—deep-sided, clean underneath, and perfect on his feet and legs. Combine that with a commanding, masculine presence, and you've got a bull built to lead your program. Sired

by the highly sought-after +LMC LN Polled Prodigy 188/7 (P)—one of the breed's hottest sires—whose pedigree is anchored by legends Polled Pathfinder and +Miss Triple C 5/4, Parker carries elite global genetics. On the maternal side, he's out of Lee's Miss Isabella Manso, a first-calf heifer by Mr. JS Cajun Tanks 537/5 and backed by the maternal powerhouse +JDH Sir Shank Manso. Genetically, Parker ranks in the top ½ of the breed for WW, YW, milk, scrotal circumference, CW, and marbling. If you want to inject performance, polish, and presence into your herd, Lee's Mr. Polled Parker Manso is your next cornerstone. Proven genetics, elite phenotype—the choice is clear. Don't miss a chance to purchase an ELITE POLLED HERD SIRE!

When it came time to choose our top consignment, Lee's Miss Polled Paris Manso rose to the top—because we only bring the best. This female is the complete package being bold in her build, soft in her lines, and incredibly fluid on the move. She carries that undeniable presence of a future champion. Sired by LMC LN Polled Prodigy 188/7 (P), a bull whose name is recognized worldwide

for producing elite cattle like LMC FCC-Polled Foundation 11/1 (PP) and LMC 4F Polled Floella 154/1 (S), Paris is backed by proven excellence. Prodigy's calves are known for being elegant, eye-catching, and structurally correct. Her dam, Lee's Miss Calle Manso, was a show-ring standout herself, blending the genetics of +JDH Mr. Manso 840 "The Graduate" and Ms. L2 Jazzy's Jasmin 125, the 2015 Florida Premier Show Cow of the Year. Paris ranks in the top ½ of the breed for WW, YW, milk, CW, REA, and marbling. Selling with 100% ownership and two straws of semen from any of our top bulls, this female was made for a junior to take straight to the backdrop. Don't miss this incredible female, Lee's Miss Polled Paris Manso!

If you want a donor female that combines elite genetics with undeniable presence, Lee's Miss Nora Manso is your ultimate choice! This female commands attention with a sleek, smooth front end and a powerful, deep middle that perfectly blends strength with femininity. Watch her move, and you'll see grace and effortless stride in every step.

Her pedigree is a who's who of Brahman royalty—sired by AF Snow Flake, a direct son of the legendary JDH Mr. Manso 734/6 and out of the iconic +Mr. H Maddox Manso 684 daughter, ZE Lady Maddox Copano 21. On the maternal side, Nora stems from Moreno Ms. Lady Sensacion, a daughter of JDH Sir Stratton Manso 823/4, tracing back to the great +JDH Mr. Elmo Manso. Genetically, Nora is a powerhouse, ranking in the top 15% of the breed for ribeye area, top 25% for carcass weight, and top 45% for yearling weight. This is a rare opportunity to own proven excellence from Lee's Cattle Company—don't let this standout female slip through your fingers!

JDH MISS DARIA MANSO (490/3)

Power. Pedigree. Production. That's exactly what ANH's Sweetie Bell 05/6 from 65 R Ranch brings to the table. She's built right—smooth through the shoulder, bold in her rib, and feminine up front—offering the kind of balance and eye appeal that serious breeders look for. Her pedigree is stacked being sired by Mr. V8 868/6, a direct son of +Mr. V8

960/5 and out of a (+)JDH Karu Manso 800 daughter. On the maternal side, her dam Miss Kallion 780 is sired by JDH Mr. Parsons Manso, a son of +JDH Brandon Manso, and backed by the legendary (+)JDH Sir Liberty Manso. This female isn't just pretty—she performs. She ranks in the top half of the breed for birthweight, weaning weight, yearling weight, milk, carcass weight, and ribeye area. Even better, she sells bred to JDH Waldo Manso 434/5, a son of the iconic JDH Massai Manso 608/6, adding even more upside. If you're looking for a rare opportunity to secure a genetically elite, performance-driven foundation female, ANH's Sweetie Bell 05/6 is the one you don't want to miss.

BBK RINGER'S HEIRESS (935)

If you're looking to add real-world value and elite genetics to your herd, take a hard look at ANH's Miss Katie 06/6.

This female is the total package—deep-bodied, smooth-shouldered, and balanced with standout eye appeal and undeniable femininity. Her pedigree is rock solid being sired by Mr. V8 868/6, making her a half-sibling to the previous

lot. 868/8 is a son of the renowned +Mr. V8 960/5, who combines +Mr. V8 287/5 and +Miss V8 552/5—a proven power pairing in the breed. On the bottom side, her dam is J-P Joy 17/09, a direct daughter of Mr. KC Elefante Manso 112, adding even more depth and maternal value. Miss Katie doesn't just carry the names—she performs, ranking in the top half of the breed for BW, WW, milk, frame score, CW, REA, and fat thickness. She sells bred to JDH Waldo Manso 434/5, a son of JDH Massai Manso 608/6, setting up the next generation for success. If you're building a herd around power, performance, and consistency, Miss Katie 06/6 is a no-miss investment.

If you haven't noticed yet, HOF Ms. Polled Especial (P) lives up to her name—she's truly exceptional! Built from the ground up, this female boasts huge bone and foot structure, yet moves with the elegance and fluidity every top female should have.

What sets Especial apart even more is her elite pedigree, offering a valuable outcross to today's most famous polled bloodlines.

She's sired by RX Polled Aggie Especial 102/1 (P), a blend of +Mr. V8 380/6 son Mr. V8 299/7 and the influential Mr. ACF Dinozzo daughter Miss Hot Momma 49. On the maternal side, Especial descends from LCC Ms. Payday 102 (S), sired by the Register of Renown bull +5P Balia 659, and out of the high-selling donor Miss HMC Polled 42/1 "Payday", herself a daughter of the legendary Mr. V8 794/7, one of the most widely used polled sires worldwide. With rankings in the top 15% for milk and top 40% for marbling, Especial is built to lead your herd into the future. It is to note that Especial will come to the sale confirmed bred to PB Austin 112/2 (P). Invest wisely—choose HOF Ms. Polled Especial (P)!

PB Scarlett 4 (P) is a standout polled female consigned by our esteemed friends, Doyle and Patricia Givens. This powerful yet refined heifer offers the ideal balance of structural integrity, maternal strength, and genetic value. She's long-bodied and clean through her front end, tying in smoothly behind her hump with a deep rib cage and a strong top line—exemplifying the kind of functional femininity and eye appeal that's hard to find. Her sire, #Nioka Pablo (PP), is an internationally recognized homozygous polled sire known for producing highly fertile, structurally sound progeny with consistent performance. On the maternal side, she traces back to 3X-HK Ms. Rosharon 932, a direct daughter of the influential HK Passport 599 and a product of the legendary HK Ranch breeding program—renowned for producing high-performance, long-lasting females. Genetically, she adds even more value, ranking in the top 4% of the breed for birthweight and top 35% for marbling. To further elevate her appeal, PB Scarlett 4 (P) sells confirmed bred to BAR LLL Mr. Ladner 269/0 on sale day. This female is an elite polled investment with both practical and long-term potential.

Ms. DFF Tanasi Holiday Manso is a highly impressive female from the esteemed Diamond F Farms program, combining an exceptional phenotype with a distinguished pedigree. This female is notable for her wide base, deep rib shape, and balanced structural design, conveying both power and functionality. She carries a commanding presence that is immediately evident, reflecting her potential as a productive foundation female

in any program. Her sire, MSP Doc Meliton 532/1, is a direct son of MSP Doc Holiday 356/1, a bull that blends the legendary +LL Mr. Doc Holiday 539 with the proven maternal line of MSP Miss Blanga Suga 685. This outstanding lineage is known for consistently producing durable, high-performing cattle. On the maternal side, Ms. DFF Tanasi Holiday Manso is out of a daughter of BD Mr. Charles Manso, adding further maternal reliability and strength to her genetic profile. She also ranks in the top ½ of the breed for birthweight, milk, docility, and fat thickness—key traits that support both calving ease and long-term productivity. Additionally, she sells with a bull calf at side sired by GB Sugara Pride 846 and exposed back the same way, providing immediate value. This is a female with the pedigree, phenotype, and performance to elevate your herd.

LOT 24 - MS DFF TANASI GARRETT - DIAMOND F FARMS

DOB: 04/22/2024 • ABBA# 1082335 • PHN: 441 • GRAY • OPEN HEIFER

Ms. DFF Tanasi Garrett is a performance-driven, open female that exemplifies the traits breeders seek in foundation cattle. She possesses exceptional structural soundness, a deep and capacious body, and a naturally wide chest and hindquarters, providing a powerful, three-dimensional profile that translates to functional longevity and productivity. Her pedigree is equally impressive.

Sired by MSP Partin's Garrett 708/1, she carries the proven influence of MSP King Garrett 584/1 and MSP Manso Country Boy 207/1—both renowned for their ability to pass on desirable growth and maternal traits. On the maternal side, her dam is Ms. DFF Tanasi Doc Manso, an own daughter of MSP Doc Meliton 532/1, further reinforcing her strong genetic foundation. Performance data supports her value, as she ranks in the top ½ of the breed for birthweight, weaning weight, milk production, docility, carcass weight, and the \$Queen Index. Ready to contribute immediately, Ms. DFF Tanasi Garrett is a reliable choice for breeders aiming to enhance herd quality with functional, balanced genetics. Don't miss your chance to acquire this exceptional female.

DC Lady Sweet Tart is an outstanding female that combines elegance, proven performance, and exceptional genetics. Bred and campaigned extensively by Dixie Cattle, she has consistently earned recognition at numerous national-level shows, demonstrating her superior conformation and presence in the show ring. Her pedigree is anchored by her sire, DB Southern Style 1/355, an own son

of the renowned +Mr. 3X-HK Oro Rojo and out of a DB Montecore 73/3 daughter, both of which are influential bloodlines known for their consistency and quality. Her dam, DB Southern Style 1/419, is a highly accomplished former show heifer with multiple championships throughout Florida and is sired by the distinguished Register of Renown bull, +Mr. JS Rouge 140/0. Beyond her physical attributes, Lady Sweet Tart offers strong genetic value, ranking in the top 15% of the breed for docility, as well as top 30% for both milk production and marbling. This female represents a unique opportunity to acquire a female with both show-ring success and elite genetics—an asset to any breeding program.

MORENO MS. ANTONIETTA [370]

DC Lady Josephine is a bred female that perfectly balances strength, elegance, and structural soundness. She exhibits a long, smooth-shouldered build with impeccable structural correctness, creating a striking profile from every angle. Sired by JDH Mr.

Lerato Manso 451/7, a direct son of the legendary JDH Jene Manso 117/8, Josephine carries forward genetics that have significantly influenced Grey Brahman breeding programs nationwide. Her dam, DC Miss Buttercup 18/1, brings additional maternal strength, being sired by Mr. L2 103 and out of Moreno Ms. Villa Clara 188, a daughter of Moreno Mr. Hercules. This combination of superior genetics results in Josephine consistently producing calves with low birth weights and excellent growth performance. Her genetic merit is reflected in her rankings within the top ½ of the breed for both birth weight and ribeye area (REA). This female will sell bred to Mr. L2 103 on sale day. Josephine presents a valuable opportunity for breeders seeking a proven, productive, and maternally strong female to enhance their breeding program's longevity and performance.

Performance-wise, she delivers where it counts, ranking in the top ½ of the breed for birthweight, milk, REA, marbling, and yield grade. And to top it off, she sells with a bull calf at side sired by Triple H Sir Casper 49/9 (P), bringing even more value to the package. Whether you're looking for a replacement, donor prospect, or herd builder—MW Ms. Beca Manso 520/0 is built to deliver and ready to go to work.

Lot 37 - Grandsire

311, she's a half-sibling to 520/0, another standout female in this sale, showing the consistency behind this sire. On the bottom side, her dam RLB Miss 296 is a daughter of RLB Mr. 244, a bull closely tied to the breed-changing +JDH Mr. Fusig Manso. The genetic punch in this pedigree runs deep, and Matty puts it all together in a practical, feminine, and high-performing package. She ranks in the top 1/2 of the breed for key traits like birthweight, milk, carcass value, and maternal efficiency. As an added bonus, she sells with a bull calf at side sired by Triple H Sir Casper 49/9 (P). Don't overlook this opportunity—Matty is the kind that moves a program forward.

From well-established herds across the Southeast, this year's sale brings forward cattle with the depth, quality, and performance traits sought by serious breeders. One of the most versatile bulls in the lineup, RG 360M Tornado, stands out not just for his impressive build but for his ability to contribute across a variety of production goals. His sire, Southern Mr. 20/19, is

Lot 40 - Grandsire

the product of proven excellence—an own son of the legendary +Mr. V8 458/7 and out of a daughter of the influential +JDH Mr. Elmo Manso. His dam has earned a reputation for producing functional, problem-free offspring, consistently passing along desirable qualities such as sound structure, docility, and excellent udder design. Tornado's data profile confirms his value, with notable performance in weaning and yearling weights, scrotal circumference, docility, yield grade, and marbling. These strengths make him a flexible choice, whether your focus is on improving carcass merit, increasing growth potential, or enhancing maternal traits in your herd. With a balanced pedigree, performance-proven genetics, and a disposition that makes him easy to manage, RG 360M Tornado is a strategic investment for breeders aiming to improve profitability and consistency. Take advantage of this great opportunity!

In an offering where only the most competitive bulls earn a place, Mr. Circle H 454 stands out for his ability to deliver results across multiple breeding objectives. This is a bull bred with purpose—designed to combine performance, structural correctness, and disposition into one complete package. His sire, JDH Mr. Loyal Manso 112/5, carries the influence of the legendary +JDH Mr. Elmo Manso, one of the most recognized sires in the breed, and is out of +JDH Lady Sany Manso 301/7, a Register of Renown daughter of the highly respected (+)JDH Madison De Manso. On paper, his pedigree speaks volumes, but it's his balanced trait profile that truly sets him apart. With strong rankings in growth, carcass quality, fertility, and docility, Mr. Circle H 454 offers the flexibility to enhance both seedstock and commercial herds. His structural integrity ensures longevity, while his calm, workable nature makes him a bull that's easy to integrate into any operation. For cattlemen who value genetic depth backed by practical performance, Mr. Circle H 454 is a forward-thinking choice built to add both consistency and profit to the next generation.

JF Miss Cherry Polled 8/21 (P) is the type of female that brings both staying power and profit potential to any operation. Known for her ability to maintain exceptional body condition regardless of the season, she offers a low-maintenance advantage that seedstock producers and commercial cattlemen alike will appreciate. Her dark pigmentation, eye-catching profile, and sound structure are complemented by a performance record that proves her worth. Cherry is sired by Mr. V8 794/7, one of the most influential sires in the polled Brahman movement, himself a son of the Register of Renown +Mr. V8 191/7 and out of the renowned Miss V8 510/6. On the dam's side, Miss Fontenot 321 contributes the proven genetics of +Mr. BF Iron Manso 55/7, adding muscle expression and carcass value. Cherry's EPD profile places her among the breed's leaders for birth weight, carcass weight, weaning weight, ribeye area, and marbling, making her a versatile breeding piece. She sells exposed to an angus bull on sale day, offering flexibility in your next calf crop. JF Miss Cherry Polled 8/21 (P) is a smart, long-term investment for serious breeders.

Musk. A top son of the Vanguard Sire and International Champion (+)JDH Madison De Manso 737/4, Rey 110 has left a global impact, producing 48 point earners in ABBA Approved Shows and earning his place in the Register of Renown. Among his most celebrated progeny is Mr. RB 354/4 "Ring King," the National Champion, Reserve International Champion, and 2017 ABBA Show Bull of the Year. On the maternal side, Spotted Rey carries the influence of HK Visa 539 and +HK Passport 777, reinforcing her red genetic base. She ranks in the top 5% of the breed for yield grade and top 25% for weaning weight. Selling exposed to a Hereford bull, Lady FR Spotted Rey offers hybrid vigor, proven lineage, and long-term breeding value for both seedstock and commercial operations.
