Welcome

to the Southern Invitational Registered Brahman & F1's Sale

Philip, Lane
and Jennifer Gilstrap

We are excited to welcome you to the "Southern Invitational" Brahman and F-1 Sale!! As you look through the catalog, we cannot express the excitement that is going on around here due to the

quality of the brahman and F-1 cattle that have been assembled for your consideration. We are incredibly excited about this offering, as we have selected some of the best cattle in the breed to complete your herd! This sale was assembled with a focus on quality and diversity throughout the breed, so we hope you

realize the opportunity we are offering YOU. From the lots we will be selling in Troy, AL, on August 24th, to the genetic sale that will close on Monday, August 26 at 7:00 pm, I feel there is something for everyone in these events. Please check out the LIVE sale and the genetic offering on bestcattlesales.com to place your bids! We want to give a HUGE THANKS to all of our friends and great partners who have shown interest in this sale, as we could not have done this without you!! Folks, thank you again so much for participating with us, and we look forward to meeting you and creating a great friendship!

Philip Gilstrap and Asa Lee

Proxy Bidding on Best Cattle Sales

Each animal will be sold to the highest bidder. Proxy bids will be accepted for all LIVE lots BEFORE the sale the sale order is determined on August 23rd. After the sale order is set bids can still be made on all lots, but not proxy bids. If there is a proxy bid on a lot during the sale we will consider the online proxy bid to be the winning bid over any tie bids taken in the auction house as that bid would have been submitted BEFORE the bid was taken in the house.

Example of a tie bid; Lot XX has a current bid of \$4500 online and has a proxy bid of \$5000 that is an anonymous bid online. When the auctioneer asks and gets a bid for \$5000 from a live bidder at the stockyards, the online system will show the proxy bid of \$5000 as the winning bid. So the tied high bid goes to the internet proxy bid. If the bidder in the stockyard bids again they will be the winning bidder. This only applies to tie bids.

TERMS & CONDITIONS

Terms of the sale are cash or check to the clerk at the conclusion of the sale.

Bidding: Each animal will be sold to the highest bidder. The auctioneer will settle any dispute as to the bid. Each animal will be at the purchaser's risk as soon as sold, but will not be delivered until settlement has been made.

Cows with calves at side are considered breeders with no further guarantee.

DONOR ALERT!! Ladies and gentlemen, it is a great honor to introduce Lee's Miss Hallie Manso to you straight from our donor pen. This has been one who has been hauled to many shows and came home with lots of hardware. We are condensing our brahman herd, which we have done many times, but this time, we have come down to the hard-core

BEST of the BEST. As you study the lots below, you will realize these females are the product of hard work to create great bags and, most importantly, a VERY gentle disposition. Hallie was admired so much for her soggy build, giant bone, and ultra-feminine look a female should have. We like this female quite a bit, folks, and if you look at her pedigree, it's loaded! Hallie is sired by the 2014 National Champion Bull, +JDH Mr. Manso 840 "The Graduate." As validated by 840 reaching the ABBA Register of Renown, this proven sire has progeny that has won championships worldwide. The dam to this outstanding female is the 2016-2017 Premier Brahman Female of Florida, Ms. L2 Jazzys Jasmin 125. She is sired by +Mr. V8 183/7 "Gator" who died at a young age, being a representation of the "Rose" cow family and is out of the 2005 Reserve International Champion Female, +Miss V8 209/6. As you study this female phenotypically, you love her for that extra body depth, ultimate three-dimensional look, and levelness out of her hip. To be such an elegant "mama cow," each female that claims this must be able to get out and go on the move, and Agrippina, as we call her, does just this quite nicely. Analyzing her pedigree, you realize she combines some oldies but goodies into a neat package. Her sire, Mr. HM EstosDoc Holiday, returns to the great Sugarland's Esto 225 polled bull that produced JME Mr. Esto 28 (P). The dam to this incredible female is a granddaughter of the register of renowned herd sire, +KF Progeny's Success, a son of the original (+)JDHKaru Manso 800. If you remember back to the Southern Classic Brahman and F-1 Sale, Agrippina was the dam to the scurred bull "Charlie," one of the high sellers during the sale. As an added addition, this female ranks in the top 15% of the breed for the \$Queen Index, 15% for milk, and 20% for marbling. To put the icing on the cake, Agrippina will sell bred to the +SRS Mr. Captain Red Legs son, Mr. HC 177/2. Buy with confidence one of the best-bred cows to sell, WBR Agrippina Minor V8 (P)!

If you want performance-oriented cattle, mark these seven half-siblings as a must-have. 18/3 being sired by Butler Atlas 1, you expect her to be performance-driven and fertile while her sire has over 20 progeny with a calving window of 60-75 days apart, which is EXCELLENT! The dam to this outstanding female is 7L Miss Emmaline 9/20, the combination of Mr. P Miller Lite Manso and Lady Emmaline on the bottom side. To further advance this offering, 18/3 ranks in the top ½ of the breed for birthweight, docility, and fat thickness. 20/3 could be your next show prospect! This female is super elegant, but when you step in behind the cattle, a person is satisfied with how three-dimensional she is. 20/3 is sired by the Butler Atlas 1 bull, which was purchased from Ricky Butler, who, as everyone knows, runs a tight ship producing only the BEST and most popular POLLED BRAHMANS! Looking at the bottom side, the mother to 20/3 is 7L Dalia, 8/19, who comes from our great friends at Seven Lakes Ranch out of Oklahoma. 8/19 is sired by Mr. P Miller Lite Manso, making this female a ¾ sib to 18/3. As an added value to performance-oriented breeders, this great female ranks in the top ½ of the breed for birthweight, docility, and tenderness. As you look throughout the catalog, we don't think you will find a more ELITE and uniformed group like this. Don't miss the chance to hear your name called at the end of the auction for the purchase of 20/3!

Piedmont is sired by JTB Polled Pappy, a combination of JTB Preacherman and JTB Florence, the daughter of JDH Trulla Rose Manso. The dam to this outstanding herd sire is the JTB Holy Smokes daughter, CTK Ms. Pistol Smoke 703.
