Welcome

to the 1st Annual East Texas Brahman and F1 Classic Sale

*Philip, Lane
and Jennifer Gilstrap*

We are excited to welcome you to the first annual East Texas Brahman and F-1 Sale!! As you look through the catalog, we cannot express the excitement that is going on around here due to the quality of the Brahman

and F-1 cattle that have been assembled for your consideration.

We are incredibly excited about this offering, as we have selected some of the best cattle in the breed to complete your herd! This sale was assembled with a focus on quality and diversity throughout the

breed, so we hope you realize the opportunity we are offering YOU. From these lots that we are selling in Cathage, Texas, we really do believe there is definitely something for everyone.

We want to give a HUGE THANKS to all of our friends and great partners who have shown interest in this sale, as we could not have done this without you!! Folks, thank you again so much for participating with us, and we look forward to meeting you and creating a great friendship!

Philip Gilstrap and Asa Lee

Proxy Bidding on Best Cattle Sales

Each animal will be sold to the highest bidder. Proxy bids will be accepted for all lots BEFORE the sale order is determined on February, 28 . After the sale order is set bids can still be made on all lots, but not proxy bids. If there is a proxy bid on a lot during the sale we will consider the online proxy bid to be the winning bid over any tie bids taken in the auction house, as that bid would have been submitted BEFORE the bid was taken in the house.

Example of a tie bid; Lot XX has a current bid of \$4500 online and has a proxy bid of \$5000 that is an anonymous bid online. When the auctioneer asks and gets a bid for \$5000 from a live bidder at the stockyards, the online system will show the proxy bid of \$5000 as the winning bid. So the tied high bid goes to the internet proxy bid. If the bidder in the stockyard bids again they will be the winning bidder. This only applies to tie bids.

TERMS & CONDITIONS

Terms of the sale are cash or check to the clerk at the conclusion of the sale.

Bidding: Each animal will be sold to the highest bidder. The auctioneer will settle any dispute as to the bid. Each animal will be at the purchaser's risk as soon as sold, but will not be delivered until settlement has been made.

Breeding Guarantee: Every animal in this sale is, to the best of the breeder's knowledge, free from any disease and are all sound. If an animal fails to breed after a trial of six months, it may be returned to the seller in good condition. Seller reserves the right to try said animal for a trial of six months and if it proves to be a breeder, return it at the buyer's expense. If the animal proves to be a non breeder, an animal of comparable rank or credit on the purchase of another animal will be offered. Cows with calves at side are considered breeders with no further guarantee.

Certificate: A certificate of registration will be mailed directly to the buyer.

Announcements: Announcements from the auction box will take precedence over the printed information in this catalog. All cattle will be sold by lot numbers as announced by the auctioneer.

Health: All animals sell with an interstate health certificate.

Liability: All persons who attend the sale do so at their own risk and owners and sale managers assume no liability, legal or otherwise, for any accidents that may occur.

Rights and Obligations: The terms and conditions of this sale shall constitute a contract between buyers and sellers of each animal and shall be equally binding upon both. Neither the owner, the sale manager, nor any person connected with the management of the sale assume liability, legal or otherwise.

ALL GUARANTEES ARE BETWEEN THE BUYER AND THE SELLER.

Trucking: There will be people available to haul.

Lawrence Cattle Company is always willing to bring the best they have to a public sale, and we appreciate them staying true and for being long-time consignors with P&G Auction. In this great sale, they brought us a conventional embryo package that any progressive POLLED breeder will get fired up about. The sire to this package is +TJF Mr. Smokin Gun 109/7, a proven sire and many-time champion who is now a proven producer of champions throughout the brahman breed. This outstanding herd sire is one of the most valuable sires in the breed due to the show ring success of his progeny, the demand for his offspring,

and the limited genetics that are available. The mother of this package is a female who is very special to Lawrence Cattle Company, being the high seller of the 2019 National Spotlight Sale, Miss HMC Polled 42/1 (P). As many know, this female has made a major impact in the breed worldwide, with over \$250,000 worth of progeny over the past couple of years. This is a really exciting package that POLLED breeders around the world have shown interest in, and we expect it to be a hot topic on sale day! Come to purchase the best!

Special Notes: Selling three conventional embryos with a guarantee of one pregnancy. If no pregnancy is achieved with the first three embryos, one additional embryo will be given. Items must be claimed within 45 days of the sale, or the frozen genetics will be retained.

This embryo package packs a punch with the PEDIGREE & PERFORMANCE! It is simply an AMAZING opportunity you do not want to pass up! The sire of these embryos is +Mr. 3H X-Ray 825 who is a bull that was and is being used successfully worldwide to make a lasting impact. What most people don't know about 825 is that he was purchased as a calf from Sam Harris by Bryant Red Brahmans and was shown successfully, but was used on their cow herd, creating the 2003 National Champion and THREE-time ABBA Show Bull of the Year, +BB Mr. Sting Ray 10/0. After this, HK Cattle and the Seminole Indians used him with great success, notably by siring numerous champions, ultimately placing him in the ABBA Register

of Renown. The dam to this opportunity is Ms. Caddo Morgan 132, the daughter of JDH Sir Malcolm Manso, a son of the iconic breed changer, +JDH Mr. Elmo Manso. The mother to 132 is a daughter of +TJF Mr. Smokin Gun 109/7 and out of a daughter of HK Visa Brasil, HK Miss Garota Visa 996. The resulting offspring from this package will carry a pedigree backed by some of the most successful show winners and the most influential cow families in the breed! Purchase with confidence!!

Special Notes: Selling three conventional embryos with a guarantee of one pregnancy. If no pregnancy is achieved with the first three embryos, one additional embryo will be given. Items must be claimed within 45 days of the sale, or the frozen genetics will be retained.

Take advantage of this opportunity to purchase an embryo package from Lawrence Cattle Company that results from one of their freshest matings and is backed by some of the most proven genetics in the breed. The sire to this package is the 2017 National Champion Bull, +DF Mr. Butterbean 366/4, who is a known sire of champions and is a bull that has stood in the winner's circle for many years, having offspring that are worldwide champions. The dam to this package is the many-time champion female, CT Lady Pasco 10/9, who is the own daughter of +SRS Mr. Pasco 812 and out of the very successful donor, +CT Lady 380 Rhineaux 11/13, who is the own daughter of the very famous and breed icon, +Mr. V8 380/6, and the ranking #1 red female in the ABBA Register of Renown, +CT Lady Rhineaux Ray 8/9. If you are a RED Brahman breeder looking to take advantage of the convenience trait, you must study this mating carefully! This mating has massive potential to diversity the red brahman population. If you

are serious about breeding red AMERICAN brahman genetics, consider how this opportunity might enhance your program! Don't miss out on this stellar opportunity from Lawrence Cattle Company! **Special Notes: Selling three female sexed embryos with a guarantee of one pregnancy. In the sale, Lawrence Cattle Company offers many embryo packages that will strike any progressive breeder's interest! This particular package is sired by the AUSTRALIAN HOMOZYGOUS POLLED sire, Nioka Pablo and out of the proven donor 5M Polled By Design. Nioka Pablo has gained numerous friends and followers since his semen was released in the United States, and the reports of his first calves are very positive. It should be noted that Pablo is an outcross to many of the current red bloodlines, which makes him even more helpful. The dam to these embryos is 5M Polled By Design who is sired by +FCC Cash In The Sting, known worldwide for being sired by +BB Mr. Sting-Ray 10/0 and out of the +Mr. V8 666/3 daughter, +Miss Faulk Farms 11/8. Polled cattle have a steadily growing popularity, and there are fewer red-polled brahmans than grey. Saying this, these genetics are a good combination of the new and proven. You can't go wrong with this purchase, folks! It will be a POLLED calf and will have the

chance of a lifetime. Don't miss out on this opportunity! **Special Notes: Selling three conventional embryos with a guarantee of one pregnancy. LCC/VBCC Mike Jones 800/4 (PP) is a HOMOZYGOUS POLLED bull bred by Lawrence Cattle Company and owned with Vera Brothers Cattle Company. This outstanding bull is among the best young homozygous polled herd sires that Lawrence Cattle Company has raised. As you study the build of Mike Jones, you love how he represents the statement

of "Nuts, Butts, and Guts" as he is the cowman's type of bull. As you study this bull on the move, you notice how well his feet and legs are hitting his track every time. If you noticed, Mike Jones is the result of Lot #D in this great sale being sired by AUSTRALIAN HOMOZYGOUS POLLED sire, Nioka Pablo, who is a bull that has gained numerous friends and followers since his semen was released in the United States, and the reports of his calves such as this are very positive. The mother to this outstanding herd sire is 5M Polled By Design, who is sired by +FCC Cash In The Sting, known worldwide for being sired by +BB Mr. Sting-Ray 10/0 and out of the +Mr. V8 666/3 daughter, +Miss Faulk Farms 11/8. The first lot in a prestigious sale like this HAS to be unique, and folks, when I say this one is special, he's spectacularly memorable!! Davids Jack 23 is a bull we think a lot about here due to his total COMPLETENESS. He's stout, has a vast middle, has perfect feet and legs, and is astonishing. This bull is intriguing because he can pack so much power and still get out and go on the move. He is sired by +Mr. CBR 667/8 "Cutter" who was recently inducted into the prestigious ABBA Register of Renown but was also named the 2020 National Champion and 2021 International Champion. 667/8 has made a HUGE splash in the brahman world due to his show ring wins that resulted in him being named ABBA Show Bull of the Year. The sire to 667/8 is the world-renowned bull, +Mr. WCC Maximus Rojo 82/4, who was combined with the +Mr. H Maddox Manso daughter, +Miss CBR Viva 491/0 to accumulate such a superior pedigree. The mother to this outstanding herd sire is KR Ms. Red Vedralia 412, who is an own daughter of Mr. JR Red X-Ray Kennedy, and on the bottom side is a daughter of +Mr. JR Isaac Lotto, KR Ms. Red Lotto 323. To complement this outstanding herd sire, he ranks in the top 4% of the breed for yield grade, 25% for marbling, 30% for scrotal circumference, and 45% for docility. Folks, as we said earlier, it takes something special in a sale to be Lot# 1, and we hope you agree that this bull will add value to any program. We have presented his proven pedigree, style, and performance. Now it is your turn to respond and bid on Davids Jack 23 from Lawrence Cattle Company!

Rocky Creek Cattle Company is always willing to bring their best when it comes to a sale, and folks, the proof is in the pudding! As you study their established offerings, you recognize that many of these are DONORS right out of the gate. RC Ms. Delilah 115/4 (S) is a scurred female who is sired by WRX Bruce Pasco Polled (P), who combines both PROVEN genetics with an outstanding build and performance. The sire to Bruce is the famous and world-renowned bull, +Mr. V8 279/7 who is notably sired by +JDH Mr. Elmo Manso and out of one of the famous Miss V8 510/6 female. The mother to Bruce is none other than +CT Lady Rhineaux 8/9, who was the two-time National and International Champion, ABBA Show Cow of the Year, and the #1 Register of Renown Dam. On the bottom side, the dam to 115/4 is Miss 7R Remy, a daughter of the +Mr. V8 191/7 son, Mr. V8 616/7. To top this female off, you would expect her to be high in growth and carcass traits, ranking in the top 10% of the breed for yield grade, 40% for REA, and 45% for yearling weight. Ladies and gentlemen, these red females with this much shape, power, and sure mass are hard to come by! RC Ms. Ruby 173/33 is another excellent Rocky Creek Cattle Company consignment! These open females they brought us are ready to breed to the bull of your choice. Ruby, having so much ultra mass and dimension, you love her from the ¾ view, still having that sure cow power look but still being fresh and feminine out of her head and neck. As you study these females on the move, there is not one that is structurally incorrect, as these females were hand-picked out of a group of 40 heads. We wanted to assure the buyer that they are getting the absolute BEST! Ruby is one of the four females in the sale that is sired by WRX Bruce Pasco Polled (P), who as we said earlier is the combination of many PROVEN genetics combining the world renowned bull, +Mr. V8 279/7 with +CT Lady Rhineaux 8/9 who was the two-time National and International Champion, ABBA Show Cow of the Year, and the #1 Register of Renown Dam. The mother to Ruby is 6W Ms. Hannah 173, a daughter of +Moreno Mr. Rock Star, the son of +TJF Mr. Smokin Gun, and out of the register of renown female, +Moreno Ms. Aspe. This female does rank in the top ½ of the breed for WW, YW, docility, and yield grade. If you are searching to put a set of red females together that will be with you for a long time as DONORS, you can't pick between the sisters, you might as well buy them all, but we sure like RC Ms. Ruby 173/33! RC Ms. Maybelle 102/14 (P) might be one of my favorites as she is the group's elegant, classy, and most eye-appealing female. As you study the build that this one has, you love the three-dimensional look from the side being wide from the ground up but also still having that square hip that makes her ultra attractive from the profile. Here, we find that Maybelle is a ¾ sibling to Ruby, being also sired by WRX Bruce Pasco Polled (P), who was a proven show winner back in his show career, winning many banners to his credit, having the pedigree of a champion being sired by +Mr. V8 279/7 and out of the ABBA Show Cow of the Year, International Champion and #1 Register of Renown dam, +CT Lady Rhineaux 8/9. The mother to Maybelle is a ½ sibling to the mother of Ruby, both being 6W branded females while both being sired by +Moreno Mr. Rock Star, but Maybelle's maternal grandsire is +JDH Astro Manso, the 2009 Reserve International Champion Bull. Further valuing Maybelle's potential, she ranks in the top 20% of the breed for yearling weight, 35% for weaning weight, 30% for docility, and 35% for yield grade. As you study these females, we promise you there isn't a dime a difference in quality! Not every day do you see a set that is this uniformed with this much pedigree clout. Another great female from Rocky Creek Cattle Company, folks, as we have said before, is not one in this fantastic offering who is not worthy of going back home to make a standout donor female due to their superior pedigree and phenotype. As you study RC Ms. Tic Tac 706/23, she is a big female who strikes you right from the start, being big, as long as a freight train, and with correct toe placement. As you study the pedigree of Tic Tac, you notice that she is yet another great female that is sired by WRX Bruce Pasco Polled (P), making her a ½ sibling to Maybelle, Delilah, and Ruby. WRX Bruce Pasco Polled (P) is a bull that combines the proven with the popular being backed by proven and powerful genetics from the lines of +Mr. V8 279/7 and +CT Lady Rhineaux 8/9 as the iconic and breed leading female in the breed. On the bottom side, the mother to Tic Tac is TTT Ms. Suvette Marti 706 who is sired by the register renown herd sire, +JDH Martin Manso 879/3, who has sired numerous champions but, more importantly, some of the most productive females in the breed due to their ease of flesh, fertility, and outstanding udders. The mother to 706/1 is +TTT Lady Sid Manso 468, the dam of Logan Peterson's many-time show winner TTT Ms. Suvette Marti 785, the Fort Worth Reserve Grand Champion. As you might think, Tic Tac ranks in the top 10% of the breed for WW, 10% for YW, 10% for yield grade, and 15% for milk. Opportunities such as this don't come often, and when they do, a person should not miss the advantage in front of them with such superior animals. All the way from the great state of Mississippi, don't miss out on yet another great female from Rocky Creek, RC Ms. Tic Tac 706/23!

This female has an elite phenotype, and she carries a breed-leading pedigree to go along with it. She is sired by Polled Pathfinder, who has been used worldwide by show winners and top sellers to his credit. One of the few most notable facts about Polled Pathfinder is that Brett Nobbs from Australia purchased an exclusive breeding interest and used him extensively in his herd, which was very successful back in Australia. Pathfinder is sired by the proven bull LMC Polled Madison 133/0 (P) and is out of the E3 Pathfinder 333 daughter, E3 Manso Zena 4. On the bottom side, the mother to Claire is CT Ms. Anna Rhineaux 8/7 who is the result of crossing the two most proven animals in the breed for show ring success being sired by +Mr. V8 458/7 "Noble" and +CT Lady Rhineaux Ray. 8/7 was a many-time show ring winner and is now a proven donor, as validated by one of her daughters garnering class and division titles over the past few years. SUPERIOR OPPORTUNITY!! Another of our favorite consignments from Diamond MC Ranch is a cross-bred cow with her unnamed/unbranded smooth POLLED registered brahman heifer calf at side. This is an excellent opportunity to invest in one of the most superior pedigrees in the breed and will be a great addition to any person's portfolio as this baby doll of a heifer calf offers the TOTAL PACKAGE supported by an ultimate dynamic phenotype and pedigree. As you study the build of this heifer calf, she is one that will hang banners without even walking into the show. Take her straight to the backdrop!!! The sire to this package is the 2006 Reserve International Champion, +SRS Mr. Captain Red Legs, whom you admire for the bone, rib, and muscle he offers and the value in his outcross pedigree. Following his successful show career, he became a sire by siring the 2014 International Champion Red Bull, the 2015 National Champion Red Bull, and the 2016 ABBA Red Show Bull of the Year. It should also be noted that Captain Red Legs is sired by +Mr. 3X Maximillion-Air who is a bull that has positively impacted the breed and is out of the same dam as the 2018 Reserve National Champion and now proven herd sire SRS Joe Kid 185. The mother to this heifer calf is a very promising and young donor female, Miss 4F Polled 11/6 (P), who Diamond MC Ranch and 4F Cattle Company own. 11/6 is sired by the #1 most utilized bull in the breed, +Mr. V8 279/7 and out of a very productive Double A Ranch female. Purchasing a female such as this, you expect a high demand due to her superior pedigree and outstanding show ring appeal. Folks, this might be one of our most exciting brahman females to sell at public auction! Diamond MC Ranch will give the buyer the option to name and brand this female that was born 11/04/24. Take her home, raise her to hang banners, then make a top donor out of her wearing your name and brand! Don't miss out!

Our good friend Justin Hall at Red Clay Cattle Company has brought two outstanding red females that every RED AMERICAN BRAHMAN breeder should study. Red Clay Sheeza Bad Mama Jama is defined in her name as a dang good female with a powerful pedigree and an outstanding build for her phenotype. As you study this red cherry heifer, you will see that you love her length of body and her for being so clean and elegant out through her front one-third. When asked to move, she correctly defines herself as a structurally sound female on the move, hitting her tracks each time. The sire to "Bad Mama Jama" is Mr. JS Polled Cafco 971/0 (S) who is sired by Mr. JS/K Polled Elvin (P) and out of the very productive mama cow, Miss Rojo JS's Mag. On the bottom side, the mother of this outstanding female is Red Clay Ms. Mahogany 80 (P), who calved before her third birthday unassisted. To top this offering off, validating this female's records, she ranks in the top ½ of the breed for yield grade and fat thickness. If you are here at the sale searching for the baby doll of the sale that is sure to make an outstanding show prospect or a DONOR female, we don't think you can go wrong by selecting Red Clay Sheeza Bad Mama Jama as a must-have on sale day!

We appreciate Lucky C Brahmans for making the trip down from Missouri, and boy, did they bring some good ones! Mad Max 08/23 (P) is a smooth-polled bull that every person at the sale should love. He is a moderate-sized bull that packs a lot of pounds! Mad Max is square in his hip, has a ton of body depth, and is extended out of his front one-third. What we get most excited about is that Mad Max is sired by LN Polled Apollo 119/9 (P) who is a smooth polled bull that was bred by La Negra Cattle Company in south Texas, but most importantly, Apollo is an own son of LMC LN Polled Pappo 136/6 (PP) and out of a HK Paragon daughter, LN Cupcake 27/7. On the bottom side, the mother to Mad Max is Miss Malie (P), who is one of Lucky C Brahman's most known donors for the qualities of an excellent mama cow, having a super soft bag and extra gentle disposition. As you study the EPD ranking of this potential herd sire, he ranks in the top ½ of the breed for birthweight, scrotal circumference, docility, yield grade, and fat thickness. Check this out! Mad Max is not only a POLLED brahman bull, but he is a RED POLLED brahman bull! Not every day do you get the chance to purchase a bull with this much quality! Moreno Ms. Lady Fun In The Sun is another stout-made female from Chica-Bar Family Ranch that you will want to pay extra close attention to. As you study this outstanding female from a phenotypical standpoint, you'll love her profile, which is exceptionally complete in her type and kind. She is super soggy from the three-quarter view as well as from behind. Fun In The Sun is sired by +Mr. Fontenot 333 "Rufus," who was the 2016 International Champion Red Bull. Not only does he have the show accolades, but also SIRE POWER! His progeny have been some of the most winning show animals, and as a result, in 2019 he sired the Champion Get of Sire at the National Show. The mother of Fun In The Sun is the 2016 International Champion female, +LB Lady Violet Manso, who is well-known for her storied show career as well as her portfolio of offspring. Violet is sired by the National Champion and global icon, +JDH Mr. Elmo Manso, and out of a daughter of the National Champion and breed influencer, +BB Mr. Sting Ray 10/0. As an added bonus, this female ranks in the top 1/2 of the breed for WW, YW, docility, yield grade, and CW. Moreno Ms. Lady Fun In The Sun comes to the sale with a bull calf at her side, sired by +VL Rojo Apache 1/50, and is exposed back to J7 Braxton Lady 999/3 for a possible 3-N-1 package. Folks, not every day do you get the chance to purchase a female like this with a potential herd sire at her side and maybe carrying the next Grand Champion at HLSR! It is worth noting that 1/50 sells for over \$2500 per straw when offered at public auction. We encourage you to take advantage of this opportunity from Chica-Bar Family Ranch!

Study this offering thoroughly, folks. This is as good as it GETS! Moreno Ms. Lady Keeper is a female that combines the PROVEN with the POPULAR, being a very clean female that you admire for her stance and correctness. Keeper is as functional as they come, still being clean in her joints for a female with this much power. Where we get most excited is the sire of Keeper, +JDH Mr. Kabram Manso 434/8, who is one of the foundation sires at Moreno Ranches due to the success of his offspring, superior pedigree, and outstanding performance values. Kabram is one of the few sons in the USA sired by the National and International Champion, (=)JDH Woodson De Manso, and out of a daughter of the iconic herd sire, (=)JDH Sir Liberty Manso. The mother of this outstanding female also has the recognition of Register of Renown and is considerably one of the best females to ever wear the M Check Brand, +Moreno Ms. Lady Presumida 376. The sire of Presumida is +Mr. V8 777/4 "Powerstroke," who was the 1997 International Reserve Grand Champion and sired the 2001 International Champion Get-of-Sire and the 2002 International Champion Bull at Houston. As many know, Presumida is the product of the very influential donor female, +Miss B-F 201/9, who has over 155 progeny found in more than 50 herds worldwide. As an added bonus, Keeper ranks in the top 10% of the breed for yield grade, 30% for birth weight, and 30% for CED. This female will come to the sale confirmed bred to J7 Rojo Designer 981/3. Moreno Ms. Lady XoeY 424/3 is one of our favorites in the sale, with a POWER-PACKED pedigree that any progressive breeder will be attracted to on sale day. XoeY will catch your eye at first sight, not only for her beautiful pigment, but also for the depth of body, spring of rib, and levelness down her top. When asked to get out and move, she fulfills her tracks every time, being flexible on both ends of her skeleton. The sire of XoeY is the 2014 Reserve International Champion Bull, +Mr. V8 191/7, who has stood the test of time as one of the best sires in the V8 Ranch lineup. It is no surprise that 191/7 has sired many champions, notably being recognized in the prestigious ABBA Register of Renown, as well as siring the 2017 International Champion Bull and one of the best donors at V8 Ranch, +Miss V8 33/8. The mother of XoeY is one of my favorite Brahman cows in the ENTIRE Brahman breed, +Miss B-F 201/9, who is the flagship donor for Moreno Ranches Inc. and has played a huge role in creating champions worldwide in countries such as Colombia, Venezuela, and several Asian countries. As a result of 2019's superior production of countless show winners, she easily entered the ABBA Register of Renown. With that said, you realize that this female has a superior pedigree, and she also comes with a stacked EPD ranking in the top ½ of the breed for BW, YW, WW, milk, yield grade, CW, and REA. Those who know Joe Kid understand that his deep red color and superior pedigree have been the foundation for many of the next great POLLED red Brahman cattle. The mother of this outstanding female is Moreno Ms. Lady Rika Vivi 962/1, who was one of the most successful show heifers that Moreno Ranches Inc. raised. She is phenotypically sound, structured, big-boned, deep-ribbed, and heavily muscled. Additionally, she is sired by Moreno Mr. Risque Intentions and out of the 2015 International Champion female, +LB Lady Violet Manso. To top this offering off, Junie Bee ranks in the top 15% of the breed for fat thickness, 30% for yearling weight, 35% for weaning weight, and 35% for yield grade. To put the icing on the cake, this outstanding female will sell confirmed bred to J7 Rojo Designer 981/3 on sale day. If you are in the market for the "next great one," be the one to load Moreno Ms. Lady Junie Bee on your trailer at the end of the sale!

HERD BULL ALERT!! SB Farms has brought us their absolute best, and what better way than to showcase a V8 stamped brahman bull that is a standout in the sale! Mr. V8 536/8 not only comes with a superior build but also a stellar pedigree that will surely strike the eye of a progressive brahman breeder. As you study the build of 536/8, you notice that he is extended as a freight train and carries a lot of natural muscling down his top and into his center body. When looking for a herd bull, you should find one structurally sound from the ground up, but as we ask 536/8 to walk, he hits his tracks every time confirming how flexible he is off both ends of his skeleton. Folks, we could write a book about how much pedigree clout that this bull carries being sired by +Mr. V8 458/7 "Noble" who might be the breed's most influential bull, not to mention siring the 3-time International Champion Bull, +Mr. V8 146/8 "Sloan". As we look into the mother to this incredible herd sire, you find that she is one of the most qualified donors at BR Cutrer Inc. being the register of renown female, +Miss V8 835/7. To top this offering off, 536/8 ranks in the top 1% of the breed for yearling weight, 4% for carcass weight, 4% for \$Bull Index, 5% for weaning weight, 10% for scrotal circumference, and 25% for REA. If you are a progressive breeder trying to improve your genetics and EPD ranking, there is no better way than to purchase this bull and let him go to work for you. We are incredibly excited about Mr. Balkcom 15, a standout bull with an eye-catching presence, striking color, and an elite pedigree. From the side, his impressive depth through the center rib and exceptional front-end extension make him a true powerhouse. Sired by Mr. V8 164/8—combining the legendary +Mr. V8 458/7 “Noble” and (+)JDH Sir Liberty Manso genetics—and out of KR 254/7 (S), a son of the renowned D Bar Mr. 892/1, his lineage is second to none. Beyond his pedigree, he ranks in the top half of the breed for key economic traits, including weaning weight, yearling weight, milk, scrotal circumference, docility, carcass weight, ribeye area, and marbling. If you’re looking for a future herd sire that will elevate your program, produce top-tier progeny, and make your neighbors jealous, don’t miss the chance to take Mr. Balkcom 15 home on sale day!
