Welcome

to the Southern Classic 7th Annual Sale

To All My Fellow Cattlemen and Friends:
On behalf of my family and I, we want to thank you for consigning some of the best animals from your ranches.

At our 7th Annual Southern Classic Sale Asa

Lee, of Lee Cattle Company, has joined the team. We have put together a special sale for you, where we

believe there is something in this sale for everyone.

Special thanks to our ear tag sponsor, Ritchey Tags and our lunch sponsor, Rocky Creek Cattle Company, home of WRX Bruce Pasco Polled 8/9.

We have some super nice Brahman lots and we also have a tremendous set of F-1s for the commercial breeder.

I would like to thank all the buyers and consignors for the continued support of the our sales.

Philip Gilstrap

TERMS AND CONDITIONS

TERMS & CONDITIONS

Terms of the sale are cash or check to the Clerk at the conclusion of the sale.

Bidding: Each animal will be sold to the highest bidder. The auctioneer will settle any dispute as to the bid. Each animal will be at the purchaser's risk as soon as sold, but will not be delivered until settlement has been made.

Breeding Guarantee: Every animal in this sale is, to the best of the breeder's knowledge, free from any disease and are all sound. If an animal fails to breed after a trail of six months, it may be returned to the seller in good condition. Seller reserves the right to try said animal for a trial of six months and if it proves to be a breeder, return it at the buyer's expense. If the animal proves to be a non breeder, an animal of comparable rank or credit on the purchase of another animal will be offered. Cows with calves at side are considered breeders with no further guarantee.

Certificate: The certificate of registration will be mailed to the buyer.

Announcements: Announcements from the auction box will take precedence over the printed information in this catalog. All cattle will be sold by lot numbers as announced by the auctioneer.

Health: All animals sell with an interstate health certificate.

Liability: All persons who attend the sale do so at their own risk and owners and sale managers assume no liability, legal or otherwise, for any accidents that may occur.

Rights and Obligations: The terms and conditions of this sale shall constitute a contract between buyers and sellers of each animal and shall be equally binding upon both. Neither the owner, the sale manager, nor any person connected with the management of the sale assume liability, legal or otherwise.

ALL GUARANTEES ARE BETWEEN THE BUYER AND THE SELLER.

*Trucking: There will be people available to haul.

TALK ABOUT AN OFFERING!!

Lawrence Cattle Company offers three conventional embryos from the AUSTRALIAN HOMOZYGOUS POLLED SIRE Nioka Pablo and out of the proven donor Cora Rojo 427. Nioka Pablo has gained numerous friends and followers since his semen was released in the United States. Pablo has been one of the most widely used polled red sires in the United States, and the reports of his first calves are very positive. It should be noted that Pablo is an outcross to many of the current red bloodlines, which makes him even more helpful. The dam to these embryos is Cora Rojo 427, sired by 5M King Tut 697/0, a son of the register of renowned herd changer +Mr. Winchester Magnum 999 and out of the +BB Mr. Sting Ray 10/0 daughter, +FCC A Rose Is A Sting 500. On the bottom side, the dam to 697/0 is a +SRS Red Stroke 522 daughter, Miss JCW Red Dawn 056. Polled cattle have a steadily growing popularity, and there are fewer red-polled Brahman than grey. These genetics are a good combination of the new and proven. You can't go wrong with this purchase! It will be a POLLED calf and have a chance to be HOMOZYGOUS!! What's that worth?! Don't miss out!

SPECIAL NOTES: SELLING THREE CONVENTIONAL EMBRYOS WITH A GUARANTEE OF ONE PREGNANCY.

IF NO PREGNANCY IS ACHIEVED WITH THE FIRST THREE EMBRYOS, ONE ADDITIONAL EMBRYO WILL BE GIVEN.

PROVEN & EXCLUSIVE!!

Please take advantage of this opportunity to purchase an embryo package from Lawrence Cattle Company that results from one of their freshest matings and is backed by some of the most proven genetics in the breed. The sire to this package is Mr. KC Nikon 500/6, who is sired by +Mr. Winchester Magnum 999 has been one of the most influential sires of the past 25 years in the USA and abroad. The dam to Nikon is +Miss JP Strokette 110, a show winner but, more importantly, produced several show winners as evidenced by her reaching the Register of Renown. The dam to this mating is Miss HMC Polled 42/1, purchased from HMC Cattle Company in Linn, TX. It is to be noted that 42/1 has been the foundation DONOR for Lawrence Cattle Company, producing ten times what she was purchased for in the 2019 National Brahman Sale. 42/1 is sired by Mr. V8 794/7, the only POLLED bull featuring the +Mr. V8 191/7 pedigree combined with the +Miss V8 510/7 cow. You expect this package to produce a baby with huge bone, the "red show look," and extra pedigree clout. Study this pedigree and performance as it was "crafted" to be unique and combine the MOST PROVEN & EXCLUSIVE red Brahman genetics in the breed!

SPECIAL NOTES: SELLING THREE SEXED FEMALE EMBRYOS WITH A GUARANTEE OF ONE PREGNANCY. IF NO PREGNANCY IS ACHIEVED WITH THE FIRST THREE EMBRYOS, ONE ADDITIONAL EMBRYO WILL BE GIVEN.

TIME-TESTED GENETICS!

If you want to purchase some of the most proven and foundation genetics in the brahman breed, then lock in on this embryo package. The sire to this package is the MYTH, the LEGEND, and the ICONIC +BB Sting-Ray 10/0, who was a many-time champion during his show career, which ultimately led him to become the 2003 National Champion and ABBA Show Bull of the Year three times! Sting Ray did his share of winning and was a proven herd sire with 375 registered progeny and numerous winners to his credit, earning him the #2 Overall Red Sire position in the ABBA Register of Renown. The dam to this package is Cora Rojo 427, sired by 5M King Tut 697/0, a son of the register of renowned herd changer +Mr. Winchester Magnum 999 and out of the +BB Mr. Sting Ray 10/0 daughter, +FCC A Rose Is A Sting 500. On the bottom side, the dam to

697/0 is a +SRS Red Stroke 522 daughter, Miss JCW Red Dawn 056. If you are a RED Brahman breeder looking to take advantage of the convenience trait, you must study this mating carefully! This mating has massive potential to diversify the RED Brahman population. If you are serious about BREEDING red brahman cattle, consider how this opportunity might enhance your program! Don't miss out on this stellar opportunity from Lawrence Cattle Company!! **SPECIAL NOTES: SELLING THREE CONVENTIONAL EMBRYOS WITH A GUARANTEE OF ONE PREGNANCY. 				MISS V8 567/6

Stop scrolling and look at this powerhouse of a female! It doesn't get much better than this! This heifer has got the word "DONOR" written all over her. Not only does she have beautiful pigmentation, but she combines a frame with a powerful hip, a bold center, a beautiful front end, and I don't think you can find one any better from the ground up. At the 2020 Magnolia Classic, the judge stopped the show for 15 minutes to talk to us about how much he liked this heifer. When you study her papers, you can't find one much better. 92/9 is sired by the great 933/7 "Yeti." He ranks in the top 1% of the breed for carcass weight and ribeye area but combines all this with a beautiful phenotype. His first two calves sold for \$39,000 and \$70,750. He also sired the Calf Champion bull at the 2020 International Brahman Show. Look down at the bottom of her pedigree, and you'll see Miss V8 222/8 "Dr. Now," who combines the 380/6 and Avery pedigree. Her full sib embryos are the highest valued embryos in the history of V8 ranch. 380/6 needs no introduction, as he has made a lasting impact on the breed. The 178/7 cow comes from the long line of females from 101/6. This heifer is backed by a pedigree that you'll want influencing your herd for years to come. Whether you're looking for feminine, broody females, or bulls that will make a lasting impact on the breed, this IVF aspiration can bring you to the top in a hurry. We think a lot of this female because she has become one of our top donors producing 36-47 occ per aspiration. So bid with confidence, ladies and gentlemen! Either win with her calves or get beat by them. The choice is yours!! *Special Notes: We are selling (1) IVF aspiration guaranteeing five transferable/freezeable embryos produced from conventional or seller approved sexed/reverse sorted semen, with the work to be done at a facility approved by the seller. The buyer will be responsible for all costs associated with IVF procedures, including travel/hauling to the IVF facility. No guarantee if semen is sexed or reverse sorted unless you get the seller's approval before use.*

If you want to incorporate a mighty bull that is deep-ribbed, heavy-muscled, big-boned, and offers a proven pedigree, then mark this semen offering on PCC LMC POLLED PRIORITY as a must-have. This BLACK sire not only comes in a robust package but has a high growth performance profile and breed-leading pedigree to match. He is sired by JDH Sir Cornerstone Manso 216/9, a son of the legendary International Grand Champion and global icon (+)JDH SIR LIBERTY MANSO 874/5. (+)JDH SIR LIBERTY MANSO 874/5 is a new inductee into the very prestigious and elite group of bulls that have acquired the admiration of ABBA Vanguard status. Although many will take this opportunity to purchase (+) Liberty genetics, the dam to this top sire prospect should not be overlooked. LMC Polled Faith 50/7 is the product of the register of renowned herd sire LMC LF Ambassador (P) and LMC +S Polled Madonna (P), who is a proven donor selling to England Cattle Company and Chuck Sellman for \$33,250 carrying superior genetics of LMC WFF Pistolero, (+)JDH Datapack Manso, and the National Champion and proven donor +JDH Marri Holly Manso. As you study the EPDs of this stellar bull, you find Priority even more valuable due to his low birth weight and ideal weaning weight ranking in the top ¼ of the breed for BW, WW, YW, carcass weight, and Marbling. He should top the market!! You can rarely purchase a semen package on a BLACK bull, but this one is also POLLED! After viewing this pedigree and phenotype, you understand why we offered you the first-ever semen package from this outstanding bull. We hope you take advantage of this opportunity and reevaluate your PRIORITY with PCC LMC POLLED PRIORITY 50/0 (P)!

Special Notes: 10 Straws of CONVENTIONAL semen with 10 AI certificates and with the option to double up - additional certificates may be purchased for \$100 each. Items must be claimed within 45 days of the sale or the frozen genetics will be retained.

TALK ABOUT AN OFFERING!!

Forestier Cattle Company is no stranger to the Brahman Breed or a backdrop. The contribution of 3 conventional embryos out of Jomanda El Toro 802 x DC MS Miya Mia 11/2 is very intriguing. The sire to this package is El Toro a Polled Australian powerhouse of a bull that has been siring outstanding calves for Circle T Cattle. He is a bull that also combines power and functionality. Standing on great feet and legs with tremendous bone. The dam, DC MS Miya Mia 11/2, is a beautiful dark red show heifer that is correct in her design. She was recently crowned the 2024 ABBA International Intermediate Champion at the Houston Livestock Show. She was also the 2024 Dixie National Intermediate Champion Red Female - so talk about a great start to a show career! She is ultra feminine, deep bodied, deep flanked, and carries more than enough muscling. If this pedigree doesn't get you excited, I don't know what will. This package contains some icons of the breed, Smokin Gun, 999, Paassport, V8 380/6, JDH Elmo, Karu, Red Rhino, and last but certainly not least, CT's Matriarch- 8/9! Of course 8/9 just happens to be the #1 RED FEMALE IN THE BRAHMAN BREED!! So whether you are a Polled breeder or not, look at this package closely, it is a good out cross to most of the polled genetics available in the USA today! These embryos normally wouldn't be available to purchase but Forestier Cattle wanted to put their absolute best in a sale of this magnitude. These genetics are predictable, bid with confidence.

Whoa!!! The 2024 Dixie National Jr. Show Reserve Grand Champion Female is selling, Lee's Miss Kenna Manso!!

This female has been one of our all-time BEST show heifers this past year, and we are super excited to offer her to the public. Lee's Cattle Company has always been known for bringing their absolute best to this sale, and this year is no different. We genuinely believe this is the best female raised in our place. As you study Kenna's build, you can't help but love the power and performance that she brings to the table. When looking at this female from the profile, she gives you that killer look from the side and, as a bonus, still being able to get out and move with ease. The sire to this female is Mr. V8 347/8, who also sells as the lot prior. Mr. V8 347/8 is a son of +Mr. V8 458/7 "Noble," who has been the most successful sire of show winners over the past three years. The dam to 347/8 is Miss V8 387/6, who was in production at 17 years of age and is sired by +JDH Charley's Jazz 946/1, and out of Miss V8 402/5, who lived to be 17 years old. On the bottom side, the mother to Kenna is SRS Miss Ava 468/8 (S), who, as many people know in the state, was the 2022 Dixie National Grand Champion Female. 468/8 is sired by +Mr. V8 458/7 and out of the very productive female E3 Mee-Kah 76 for many years. If you kept up with the pedigree, you notice Kenna is line-bred +Mr. V8 458/7 making a stellar pedigree!! This is an exceptional opportunity! To top this offering off, Kenna ranks in the top 1% of the breed for docility, 2% for Queen Index, 10% for Bull Index, 10% for yield grade, and 10% for carcass weight. We can preach all day long about how good this female is, but she speaks for herself. As another bonus, Kenna comes to the sale bred to Mr. KF Tin Man 717, possibly carrying the next Dixie National Champion!! **Don't miss out on a stellar female, Lee's Miss Kenna Manso!!**

Folks, it doesn't get much better than this!!! Yes, you heard us right. Mr. V8 347/8 is selling in this great sale. Mr. V8 347/8 is a herd sire that Lee's Cattle Co. purchased from V8 Ranch.

As you can tell from his picture, this bull has a great build, an outstanding spring of rib, and depth of body. He's also big-boned, very muscular, and puts all of this together in a super eye-appealing package. Cattlemen appreciate his build, but breeders also love his pedigree as he is a son of +Mr. V8 458/7 "Noble", who has been the most successful sire of show winners over the past three years. The dam to 347/8 is Miss V8 387/6, who was in production at 17 years of age and is sired by +JDH Charley's Jazz 946/1, and out of Miss V8 402/5, who lived to be 17 years old. As you can tell, Mr. V8 347/8 is backed by proven genetics! Come to the sale, not thinking of buying a bull? Well, you better study your lesson here and take this great bull back home as a breed improver. Check out Lot 1 if you are wondering what this herd sire produces! If you want to inject some elite genetics into your herd, there is no better way than this with a proven herd sire. Don't miss out on your chance to purchase a PROVEN herd sire! DONOR ALERT! We have decided to part with one of our BEST DONORS, Miss HMC Polled 170/1 (PP), who is a HOMOZYGOUS POLLED female, meaning that 100% of her calf crop will be polled regardless of what you breed her to! We know this trait is essential from a breeding standpoint, and 170/1 offers so much more. She is a highly

thick female with a lot of bone, depth of rib, and foot size. We love how she carries her head, the feminine extension of her neck, and her level top line behind her perfectly placed hump. She is out of Mr. HMC Polled 44/1 (P) "Magnum," who recently ranked as the #3 polled grey herd sire with the most registered progeny in 2021. Crown JA Brahmans purchased his Australian exclusive semen rights from Queensland, Australia, as a bonus! The dam to 170/1 is Miss HMC Polled 73/1 (P) "Jenny," a favorite at the HMC ranch because of loads of natural muscle and her extremely level top line. An IVF aspiration was done on 73/1 at 12 months of age, and she produced several world-class females, one being Miss HMC Polled 145/1, who can be seen in Linn, TX, on the HMC show string. Last but not least, Miss HMC Polled 170/1 (PP) is highly docile, ranking in the top 5% of the breed for docility. If you're looking for an easy way to get to the ladder quicker than anyone else, this is the female that can do just that for you! The increased interest in POLLED cattle is beginning to rise, and what better way to get in with purchasing the 2nd high-selling heifer in the 2022 International Brahman Sale! *It is to note that this female has made an average of 12 embryos per flush on a total of 22 aspirations. Folks, this is a serious DONOR. Don't miss out, Miss HMC Polled 170/1 (PP)!! Selling as a DONOR only. Seller reserves the right to hold a registration cert to only register said babies from embryos in inventory.*

Lee's Miss Isabella Manso is, once again, not another slouch! This show female has been successfully campaigned over the past year by Miss Ann Rileigh Holder. As you can tell from her ecstatic build and performance, she won many shows! Look how much depth, length of side, and muscle this female carries while still being able to get out and flex on the move. Looking at the pedigree, Isabella is sired by one of the most impressive sons of +Mr. V8 458/7 "Noble," Mr. V8 179/8 "Big Mack" who could be one, if not the heaviest-boned bulls V8 Ranch has ever raised. Big Mack has made his mark, winning many divisions and championships at major shows. He is sired by who we told you was +Mr. V8 458/7 "Noble." People who know Noble know that he is known worldwide for generating more show winners than any other bull in the breed. The dam to Big Mack is the 2005 National Champion female, Miss V8 363/6, a daughter of Miss V8 630/5. As you study the dam to Isabella, you are not disappointed as her mother is Miss V8 92/9 "Cheyenne" (selling as an IVF lot in the sale). 92/9 is sired by the great 933/7 "Yeti." He ranks in the top 1% of the breed for carcass weight and ribeye area but combines all this with a beautiful phenotype. His first two calves sold for \$39,000 and \$70,750. He also sired the Calf Champion bull at the 2020 International Brahman Show. Look down at the bottom of her pedigree, and you'll see Miss V8 222/8 "Dr. Now," who combines the 380/6 and Avery pedigree. Her full sib embryos are the highest-valued embryos in the history of V8 Ranch. 380/6 needs no introduction, as he has made a lasting impact on the breed. To make this offering even more unique, Isabella ranks in the top 1% of the breed for carcass weight, 1% for bull index, 3% for yearling weight, 10% for queen index, and 10% for weaning weight! Talk about power, performance, and pedigree all added into one, folks!!

If you come to the sale to purchase a show heifer with many shows left in her, don't miss out on Lee's Miss Isabella Manso!!

This scurred/polled baby doll female has been everyone's favorite since she hit the ground running. Madeline will be a super competitive show female who can win banners at any major show, and this is the best female that we have raised

thus far this year. As you study Madeline, she is level down her top, tying in very well right behind her shoulder into her hump. As you get in behind her, you love how much power and dimension she has from both the side and the rearview. What we get most excited about is that this female is sired by one of the most impressive sons of +Mr. V8 458/7 "Noble," Mr. V8 179/8 "Big Mack" who could be one, if not the heaviest-boned bulls V8 Ranch has ever raised. Big Mack has made his mark, winning many divisions and championships at major shows. He is sired by who we told you was +Mr. V8 458/7 "Noble." The dam to Big Mack is the 2005 National Champion female, Miss V8 363/6, a daughter of Miss V8 630/5. On the bottom side, the dam to Madeline is Miss 4F Polled 99/0, who needs no introduction. This highly fertile female, Miss 4F Polled 99/0 (P), is the daughter of Polled Pathfinder, which has been used successfully in the United States by an exclusive group of breeders and Nobbs Cattle Company of Australia. The dam to 99/0 is Miss 4F Polled Prima Donna 22/7, a proven donor validated by her first four daughters, who were show heifers or sale features. It is noted that Prima Donna is a full sister to LMC 4F Polled Diva 46/6, a many-time champion, and now a donor for LMC and 4F Cattle Company. As you can see, this female should be di-no-might!! To further advance her value to a very progressive breeder, she ranks in the top 5% of the breed for docility, 10% for carcass weight, 10% for yearling weight, and 25% for weaning weight. It is to be noted that Madeline ranks in the top 5% for \$Bull and 10% for \$Queen index. As they say in the movies, "It doesn't get much better than this." If you want to purchase the next show stopper or just a top-notch DONOR, don't miss people congratulating you at the end of the sale! **Take advantage of Lee's Miss Madeline 154/0 (P)!!**

WHOA!!! You heard us right! TTT Ms. Suvette Marti 706/1 sells in this prestigious sale, and it is undoubtedly that Rocky Creek Ranch has brought its very best. Over the years, this female has produced show winners with style and performance.

When you study her overall build, you love how long and extended this female is still having plenty of middle, making her extra attractive from the side. 706/1 is sired by the registered renowned herd sire +JDH Martin Manso 879/3, who has sired numerous champions but, more importantly, some of the most productive females in the breed due to their ease of flesh, fertility, and outstanding udders. The mother to 706/1 is +TTT Lady Sid Manso 468, the dam of Logan Peterson's many-time show winner TTT Ms. Suvette Marti 785, the Fort Worth Reserve Grand Champion. As you can tell, 706/1 has a powerful pedigree that any top-of-the-line DONOR requires. This female has been great for the Tic Tac Toe Ranch, Wedgeworth Cattle Company, Avila Farms, and Rocky Creek. It is worth noting that when flushed, this female produces BIG numbers when mated to any bull in the breed. To top this offering off, 706/1 notably ranks in the top 1% of the breed for docility, 4% for milk, 4% for weaning weight, and 10% for \$Queen and \$Bull Index. If you are wondering what can boost the quality of your herd, study this female with a lot of life left in her that can be utilized for many different purposes! Miss Polled Trinity 101 is a female that we simply cannot get over! Look how complete this one is, not having any hole to pick in her phenotypically. The sire to 101 is ABBA's #1 all-time champion-producing grey bull, +Mr. V8 279/7, who is a son of the iconic breed changer bull, as everyone knows +JDH Mr. Elmo Manso 309/4. Not to mention the true matriarch dam to +279/7, +Miss V8 510/6, who raised two herd sires for V8 Ranch and produced the only female in history to be named national champion, who is +Miss V8 100/7, the mother to +Mr. V8 458/7 "Noble." The mother, as you should know, is Miss SRS Polled Katie(P), who you are going to hear a lot about in this great sale. Katie, who needs no introduction, sold for \$44,000 to Jake Matthews of KI Cattle Company in the Brahman at the Camelia sale back in 2023. Katie has a success story of producing champions such as the high-selling 111/1 "One for the Money" bull in HMC's Online Sale for \$20,000 as well as three daughters selling at public auction for \$21,000-\$37,000 each, not to mention the \$30,000 female purchased by David Lawrence, Miss HMC Polled 42/1 (P) who has earned Lawrence Cattle Company back over 10x of the original investment in 42/1. It comes as no shock that this elite female ranks in the top 5% of the breed for docility and 30% for the \$Queen Index. If you are a progressive polled breeder, we don't see how you can pass up a great one such as this, Miss Polled Trinity 101!

JUST LIKE THE SEXY LEGS FEMALE, AF MISS ANNITA IS A YOUNG, BRED FEMALE FROM AVILA FARMS, AND BOY, DID THEY BRING SOME GREAT ONES! You will love Annita for being so gentle and having a show-stopping phenotype. Where this one rises to the top is her three-dimensional

look and appeal. When you step in behind her, you are not disappointed with how wide she is from the ground up. Not only is this female picture-perfect, but she also comes with a performance breeding pedigree. Annita is sired by AF Mr. Snow Flake, a retired show bull for Avila Farms that won many divisions at the most considerable livestock shows. Snowflake is sired by JDH Mr. Manso 734/6, who combines genetics from +Mr. H Maddox Manso 684 and (=)JDH Westin Manso 80/1. The dam to Annita is Ms. Lady Sensación, who also sells in the sale, who is sired by JDH Sir Stratton Manso 823/4 and out of +Miss V8 765/6 on the bottom side out of +Mr. V8 287/5 "SuperStroke" and +Miss V8 997/5. As a bonus, Annita ranks at the top of the breed for traits such as REA, marbling, weaning weight, and birth weight. We like this female quite a bit, but as a bonus, she sells bred to the Hereford bull come sale day. Bid confidently that these Avila Farm baby dolls are worth the money, AF Miss Annita!

Talk about a scurred-bred female from NKL Ranch! Double Dutchess (S) is one that you love for her superiority and capabilities to exceed any expectations. When you study her build, you can't help but like that she is so extended out of her front one-third, tying in very well right behind her hump. On the profile, she lights out one of the best consignments from NKL Ranch. Studying her genetically, you see she is sired by the polled sire RBC Mr. Polled Sherman (P), the product of JME Mr. Esto 28 (P), and the J.D. Hudgins branded female, JDH Lady Gagnon Manso 341/1. On the bottom side, the dam to Dutchess is Miss Kallion 987, being sired by the one and only herd sire for Kallion Ranch, Mr. US Polled Woodstock 411/5. As you look at the performance data on this female, it is no surprise that she ranks in the top 15% of the breed for marbling and 20% for birth weight. If you come to the sale to purchase a good, scurred female that has the potential to make POLLED babies, don't pass up Dutchess!
