Welcome to the Southern Invitational Registered Brahman & F1's Sale

Asa Lee, Jennifer and
Philip Gilstrap

For everyone who has supported this event over the years, welcome back. If this is your first Southern Invitational, we're glad you're here.

The Southern Invitational Brahman and F-1 Sale has become more than a place to buy cattle—it's a gathering of breeders who value quality, integrity, and the future of the beef industry. This

year's offering reflects that commitment. Each consignor has brought cattle they are proud to stand behind, creating a lineup built on proven genetics, functional performance, and lasting value.

Whether you're searching for your next donor prospect, herd sire, replacement female, or an outstanding F-1, you'll find cattle that can make an immediate impact while positioning your program for years to come. Our goal has always been to

assemble cattle that work in the pasture, in the show ring, and ultimately on the bottom line.

We invite you to join us in Troy, Alabama, on Saturday, August 22, for the live sale and fellowship that makes this event special. Be sure to continue bidding in the online Genetic Sale, which closes Monday, August 24, at 7:00 PM through Best Cattle Sales.

Thank you to our consignors, buyers, and everyone who continues to invest in the Southern Invitational. Your confidence and support are what make this sale possible. We look forward to seeing familiar faces, meeting new friends, and helping you find cattle that will move your program forward.

See you in Troy,

Philip Gilstrap and Asa Lee

Proxy Bidding on Best Cattle Sales

Each animal will be sold to the highest bidder. Proxy bids will be accepted for all LIVE lots BEFORE the sale. The sale order is determined on August 21st. If there is a proxy bid on a lot during the sale we will consider the online proxy bid to be the winning bid over any tie bids taken in the auction house, as that bid would have been submitted BEFORE the bid was taken in the house. Example of a tie bid; Lot XX has a current bid of \$4500 online and has a proxy bid of \$5000 that is an anonymous bid online. When the auctioneer asks and gets a bid for \$5000 from a live bidder at the stockyards, the online system will show the proxy bid of \$5000 as the winning bid. So the tied high bid goes to the internet proxy bid. If the bidder in the stockyard bids again they will be the winning bidder. This only applies to tie bids.

TERMS & CONDITIONS

Terms of the sale are cash or check to the Clerk at the conclusion of the sale.

Bidding: Each animal will be sold to the highest bidder. The auctioneer will settle any dispute as to the bid. Each animal will be at the purchaser's risk as soon as sold, but will not be delivered until settlement has been made.

Breeding Guarantee: Every animal in this sale is, to the best of the breeder's knowledge, free from any disease and are all sound. If an animal fails to breed after a trial of six months, it may be returned to the seller in good condition. Seller reserves the right to try said animal for a trial of six months and if it proves to be a breeder, return it at the buyer's expense. If the animal proves to be a non breeder, an animal of comparable rank or credit on the purchase of another animal will be offered. Cows with calves at side are considered breeders with no further guarantee.

Certificate: The certificate of registration will be mailed to the buyer after payment.

Announcements: Announcements from the auction box will take precedence over the printed information in this catalog. All cattle will be sold by lot numbers as announced by the auctioneer.

Health: All animals sell with an interstate health certificate.

Liability: All persons who attend the sale do so at their own risk and owners and sale managers assume no liability, legal or otherwise, for any accidents that may occur.

Rights and Obligations: The terms and conditions of this sale shall constitute a contract between buyers and sellers of each animal and shall be equally binding upon both. Neither the owner, the sale manager, nor any person connected with the management of the sale assume liability, legal or otherwise.

ALL GUARANTEES ARE BETWEEN THE BUYER AND THE SELLER.

Trucking: There will be people available to haul. Numbers will be made available sale day.

If you're looking for the lead-off lot, then you've found her! Lot #1 in a prestigious sale such as this does not come lightly, and when they are as impressive as Miss L2 Lands Pride 329, your eye immediately recognizes

perfection. Miss L2 Lands Pride 329 is a female that is exceptionally clean in her lines from every angle. Whether you view her from the profile or from behind, it is difficult to find a fault. Not only are we excited about the stellar build that Lot #1 represents, but we are equally impressed when studying her pedigree. 329 is sired by JDH Mr. Manso 603/1, an own son of JDH Mr. Caine Manso 742/7, and out of a daughter of JDH Mr. Manso 16/1, JDH Lady Manso 387/1. On the bottom side, her dam, JDH Lady Manso 657/1, is sired by JDH Mr. Manso 477/1 and out of JDH Lady Manso 550/1, making this female a 100% J.D. Hudgins-bred female. As you study the EPD rankings this female exhibits, you'll find she ranks in the top 10% of the breed for birth weight, top 15% for fat thickness, top 30% for REA, top 30% for milk, and top 50% for weaning weight. Folks, if you're looking for a female that can compete and win in the show ring, take her straight to the backdrop for your champion photo! That is how highly we regard Miss L2 Lands Pride 329. Don't miss your opportunity to own this outstanding female from L2 Ranch, the lead-off lot in the Southern Invitational Brahman and F-1 Sale!

Miss L2 Lands Pride 353 (P) is the kind of female that catches your eye from the moment she enters the ring and continues to impress the more you analyze her. She represents the combination of quality, balance, and genetic

strength that serious breeders are constantly searching for. Built with an ideal balance of femininity and power, 353 offers an attractive profile with plenty of extension, a smooth front end, and the kind of body shape and capacity that gives her the look of a productive brood cow. She moves with confidence and flexibility, maintaining her structure and elegance from every angle. Her genetic package only adds to her appeal, as she is sired by #NCC Municipal who is the bull from Australia who was purchased by V8 Ranch. Municipal is sired by JDH Clanton De Manso 313/8 who is an own son of (+)JDH Woodson De Manso. On the bottom side, the mother to 353 is JDH Lady Manso 552/1 who is an own daughter of ECC El Caporal 301 and out of a daughter to +JDH Mr. Manso 638 "Sir Richard", JDH Lady Manso 207/1. With this much influence stacked behind her, it is easy to understand the predictability and quality she possesses. Her performance profile further validates her value, ranking in the top half of the breed for weaning weight, yearling weight, docility, and ribeye area. Miss L2 Lands Pride 353 (P) is more than just an attractive female—she is a genetic opportunity backed by proven bloodlines and the ability to contribute value for years to come. Females of this caliber are the ones that create momentum in a breeding program, and 353 deserves serious consideration on sale day.

: When you talk about females that have the ability to make a lasting impression, Miss L2 Lands Pride 359 (P) is one that belongs in the conversation. This POLLED female combines the kind of phenotype, pedigree, and

performance that creates excitement for the future. She possesses a tremendous amount of eye appeal with the ideal blend of femininity, balance, and substance, offering a clean, refined front, excellent body depth, and a powerful design that reflects her potential as a productive brood cow. Her structural correctness and fluid movement make her easy to admire, but her true value lies in the impressive genetics and performance she carries. Siring this standout female is #NCC Municipal who is the bull from Australia who was purchased by V8 Ranch. Municipal is sired by JDH Clanton De Manso 313/8 who is an own son of (+)JDH Woodson De Manso. On the maternal side, 359 is backed by JDH Lady Manso 552/1, an own daughter of ECC El Caporal 301 and out of JDH Lady Manso 207/1, a daughter of the Register of Renown sire +JDH Mr. Manso 638. This pedigree represents generations of proven quality, consistency, and genetic excellence. Evaluating her performance data, 359 continues to impress, ranking in the top half of the breed for weaning weight, yearling weight, docility, and ribeye area, proving she offers the balanced traits needed to make a lasting impact. Whether you're searching for a future donor prospect or a female to strengthen the foundation of your breeding program, Miss L2 Lands Pride 359 (P) is an opportunity worth serious consideration. She is the kind of female that combines style, substance, POLLED genetics, and breed-leading potential into one complete package.

Mr. L2 Lands Pride 350 is a herd sire prospect that offers the complete package, combining an attractive phenotype, structural correctness, and a pedigree stacked with proven genetics that progressive cattlemen

can appreciate. He is the kind of bull that is built to add value to any breeding program with his balance, muscle, functionality, and overall eye appeal. Sired by JDH Mr. Manso 359/1, an own son of the influential JDH Mr. Manso 423 and out of JDH Lady Manso 756/4, a daughter of Mr. Bo Dimayro Manso 818, 350 carries a powerful paternal lineage known for consistency and performance. His dam, JDH Lady Manso 571/1, is sired by JDH Mr. Caine Manso, a direct son of the Register of Renown herd sire +JDH Massai Manso 608/6, further strengthening the maternal side of his pedigree with generations of proven production. In addition to his impressive pedigree, Mr. L2 Lands Pride 350 offers genetic merit on paper, ranking in the top half of the breed for Birth Weight, Milk, and Docility, making him an excellent choice for producers focused on building productive, functional, and easy-managing cow herds. Whether you're searching for a herd bull to enhance replacement females or add predictability and quality to your calf crop, Mr. L2 Lands Pride 350 has the pedigree, performance, and phenotype to make a lasting impact and deserves serious consideration on sale day.

When searching for your next herd sire, quality and functionality should be at the top of the list, and Mr. L2 Lands Pride 348 delivers on both. This stout-made, long-bodied bull offers the muscle, capacity, and

structural correctness needed to make a lasting impact in any breeding program. His pedigree is built on generations of proven genetics, being sired by JDH Mr. Manso 603/1, an own son of the influential JDH Mr. Caine Manso, while his dam, SRS Lady Sunny 720/1, is an own daughter of the legendary +Mr. V8 458/7 and out of 6W Lady Rebel 80, a productive female sired by the Register of Renown sire +SRS Mr. Troubador 933. With this combination of maternal excellence and breed-leading performance, 348 offers the kind of genetic consistency today's cattlemen value. He also ranks in the top half of the breed for Birth Weight, Weaning Weight, Yearling Weight, Carcass Weight, and Docility, giving him the genetic credentials to complement his impressive phenotype. Whether your focus is producing quality replacement females, adding growth and value to your calf crop, or strengthening the foundation of your herd, Mr. L2 Lands Pride 348 has the pedigree, performance, and practical traits to make him a worthwhile investment.

LOT 06 - MR L2 LANDS PRIDE 356 - L2 RANCH

DOB: 9/09/2025 • ABBA# 1097908 • GRAY • BULL • PHN: 356

			JDH LADY MANSO 387 (387)

Mr. L2 Lands Pride 356 is a bull you have to admire for his sheer power, performance, and mass. From the side profile, all you can say is "wow" when you study the tremendous depth of body and spring of rib he possesses. He is the kind

of bull that immediately catches your attention and continues to impress the longer you study him. He combines tremendous volume and substance with the structural soundness and athletic ability needed to go out and work for you. His pedigree is equally impressive. He is sired by NCC Municipal, the highly used and successful sire from Australia that has made a tremendous impact on the V8 Ranch cow herd. On the bottom side, 356 is out of JDH Lady Manso 552/1, an own daughter of ECC El Caporal 301 and out of JDH Lady Manso 207/1, a daughter of +JDH Mr. Manso 638 "Sir Richard." This is a pedigree stacked with proven genetics that have consistently contributed power, performance, maternal strength, and longevity to the Brahman breed. Not only is this bull backed by an outstanding pedigree, but he also ranks in the top half of the breed for docility, carcass weight, ribeye area, and marbling. Those numbers only add to what you see on the hoof and make 356 an even more complete package. He is the type of bull that brings both phenotype and genetic merit to the table, making him a valuable option for breeders looking to add substance, performance, and quality to their next generation. If you are in the market for a highly sought-after bull machine, don't miss your opportunity to add one of our favorites to your program—Mr. L2 Lands Pride 356.

LOT 07 - MISS CIRCLE H 410 (P) - L2 RANCH

DOB: 5/2/2018 • ABBA# 991333 • GRAY • PAIR • PHN: 410

SIRE	KPBR POLLED SAMPSON (P) (18/3)	LMC POLLED DAKOTA 49/0 (P) (49/0)	+LMC LF AMBASSADOR 700/7 (P) (700/7)

			S BAR MISS 489/8 (489/8)
			MR. V8 440/4 (440/4)
			MS RB 901/2 (901/2)

: Talk about a POLLED female! Miss Circle H 410 (P) is one that immediately commands your attention and is a female you will appreciate for her superiority, quality, and overall capabilities that exceed expectations. When you study her build, you can't help but admire the tremendous amount of extension she possesses through her front one-third, tying in beautifully behind her hump and carrying that balance and eye appeal from every angle. In profile, she is easily one of the best-looking bred females in the sale, combining a powerful phenotype with the kind of structure and presence that will make her stand out in any pasture or donor pen. Not only does 410 offer an impressive look, but she is also backed by generations of PROVEN genetics that add tremendous value to her future. She is sired by KPBR Polled Sampson (P), a son of LMC Polled Dakota 49/0 (P), combining the influential genetics of +LMC LF Ambassador 700/7 with the legendary Double A Cow, Miss Double A 325/6. On the bottom side, 410 is backed by the Broken Triangle program through her dam, Miss Broken Triangle 875, adding even more depth and predictability to an already impressive pedigree. As you study her performance data, it comes as no surprise that this female ranks in the top half of the breed for birth weight, milk, carcass weight, ribeye area, and marbling, proving she has the ability to combine phenotype with production. Further enhancing the value of 410, she will sell with a bull calf at side sired by JDH Casimiro 692/9 and is bred back the same way, creating an exciting potential 3-in-1 opportunity. Females like Miss Circle H 410 (P) are hard to find — a POLLED female that offers elite phenotype, proven genetics, strong performance, and the potential to become a cornerstone donor female for a progressive program. If you are serious about adding a female with the ability to make an impact, be sure to mark Miss Circle H 410 (P) as a must-have on sale day!

LOT 08 - MISS L2 LANDS PRIDE 299 - L2 RANCH

DOB: 1/5/2024 • ABBA# 1071811 • GRAY • BRED COW • PHN: 299

			+JDH MR. MANSO 854/4 (854/4)
			JDH LADY MANSO 395/4 (395/4)

: Miss L2 Lands Pride 299 is a female that truly stands apart, offering an exceptional combination of phenotype, performance, and a breed-leading pedigree. From her phenomenal build to the many extra qualities she brings to the table, 299 is the type of female that demands attention and represents the kind of genetic investment every progressive program strives to add. As you study her design, you will appreciate her tremendous length of hip, powerful top, and the way she ties in smoothly and correctly behind her hump, creating the balance, dimension, and eye appeal that make her a standout female. Her pedigree is equally impressive, as she is sired by JDH Mr. Manso 359/1, an own son of JDH Mr. Manso 423 and out of a daughter of Mr. Bo Dimayro Manso 818. On the bottom side, 299 is backed by JDH Lady Manso 387/1, who is sired by JDH Mr. Manso 16/1 and out of a daughter of the Register of Renown herd sire, +JDH Mr. Manso 854/4. This combination of proven genetics brings together generations of quality, predictability, and performance. When evaluating her EPD profile, it is no surprise that this female ranks in the top half of the breed for weaning weight, yearling weight, milk, docility, and carcass weight, combining the essential traits needed to produce breed-leading performance and valuable progeny. Adding even more value, 299 sells confirmed bred to JDH Mr. Manso 603/1, creating an exciting opportunity for the next generation. If you are searching for a breed-changing bred female with the phenotype, pedigree, and performance to make a lasting impact, don't miss the opportunity to add Miss L2 Lands Pride 299 to your program.

			JDH LADY MANSO 808/2 (808/2)

DS Ms. Dollar Datapack is the kind of bred female that should catch the attention of every serious cattleman. From the moment you see her, you'll appreciate her impressive depth of body, structural correctness, femininity, and the eye-catching style and presence that make her such an attractive breeding piece. She combines balance, capacity, and functionality into a package that is built to be a productive brood cow for years to come. Her pedigree is equally as impressive, being sired by WEW Mr. Pudge Manso, an own son of the influential JDH Mr. Manso 258/4 and out of JDH Lady Manso 415/4, a daughter of the proven sire JDH Bullit Manso. On the maternal side, she is backed by Ms. SB 173, a daughter of JDH Mr. Parsons Manso and out of JDH Lady Manso 518/4, who traces back to the legendary (+)JDH Atlas Manso 328/3, giving this female generations of proven maternal strength and predictable performance. Beyond her attractive phenotype and elite pedigree, Dollar Datapack offers the performance to support her value, ranking in the top half of the breed for birth weight, milk, docility, and fat thickness, making her a balanced female with traits that will positively impact any breeding program. Adding even more value, she sells confirmed bred to a registered simmental bull, offering buyers the opportunity to take home not only an outstanding Brahman female but also an exciting crossbred calf with exceptional growth and marketability that can be Golden Certified. Whether you're looking to strengthen your replacement female program, produce competitive commercial cattle, or add another productive brood cow to your herd, DS Ms. Dollar Datapack checks all the boxes. Opportunities to purchase bred females with this combination of phenotype, pedigree, performance, and added value are hard to come by, making her one of the favorites in this offering and a female we are proud to stand behind.

LOT 10 - MORENO MS. LADY RUTHIE MARIE - LEE'S CATTLE COMPANY

DOB: 2/3/2019 • ABBA# 995525 • RED • BRED COW • PHN: 398/2

SIRE	+BB BRONSON 299/3 (299/3)	{ +MR. 3H X-RAY 825 (825) +BB MISS RED DYNASTY 146	{ ARROW J MILLMARONE 925 (925) +MISS 3H 290 (290) SEH MR. LEVI MANSO 147 (147/5) MISS JG 192 (192)

RED ALERT!!! If you're looking for a donor prospect with exceptional power, pedigree, and proven show-ring success, Moreno Ms. Lady Ruthie Marie 398/2 deserves your attention. As one of the biggest-bodied, boldest-sprung females in our entire herd at Lee's Cattle Company, Ruthie Marie combines tremendous rib shape, natural dimension, structural correctness,

and an eye-catching, level topline that consistently sets her apart. Over the past two years, she has been successfully campaigned throughout the Southeast, earning numerous class and division championships while impressing judges and spectators alike with her mass, femininity, balance, and effortless movement. She carries herself with an ideal head and neck set, covering the ground with power and elegance, exactly the kind of look you want in a future cornerstone donor. Her pedigree is stacked with proven Brahman genetics, being sired by +BB Bronson 299/3, the sire of the 2020 International Champion Bull, Moreno Mr. Rudolph. On the maternal side, she is out of TTT Ms. Suva Jordette 606, a many-time show winner for Tic Tac Toe Ranch and a natural daughter of the 2009 Reserve International Champion +TTT Ms. Suvette Marti 390 and the legendary JDH Jordan Manso, whose genetics have become increasingly rare and highly sought after. To complement her elite phenotype and pedigree, Ruthie Marie ranks among the breed's best for growth, carcass merit, and fertility, making her an outstanding genetic package with the versatility to produce elite red or gray offspring. Making this female even more valuable, Ruthie will come to the sale confirmed bred to Mr. JH 20/9 or a registered simmental bull. Simply put, Moreno Ms. Lady Ruthie Marie 398/2 offers the complete combination of donor potential, championship-winning phenotype, and breed-leading genetics, making her a tremendous opportunity for any progressive Brahman operation.

LOT 11 - MORENO MS. LADY ROMPER - LEE'S CATTLE COMPANY

If you're searching for the standout female of the offering, look no further than Moreno Ms. Lady Romper. This ultra-feminine, eye-catching heifer was originally purchased specifically for our show string, and from the moment she entered the ring, she demanded attention, capturing banner after banner and leaving a lasting impression on judges

and spectators alike. Romper combines exceptional structural correctness with clean lines, a refined front end, tremendous balance, and the kind of presence that naturally turns heads every time she enters the ring. Her pedigree is equally impressive, as she is sired by SRS Joe Kid 185, a son of the legendary +SRS Mr. Troubador 933 and the renowned Register of Renown donor +SRS Miss Cibola 644, while her dam, +LB Lady Violet Manso, combines the influence of +JDH Mr. Elmo Manso with +LB Lady Virginia Manso, a daughter of the breed-leading sire +BB Mr. Sting-Ray 10/0, giving Romper a foundation built on generations of proven performance and maternal excellence. Beyond her striking phenotype and elite pedigree, she ranks in the top half of the breed for weaning weight, yearling weight, docility, and marbling, making her not only a competitive show heifer but also a female with the genetic merit and production potential to become a cornerstone donor in any progressive breeding program. As an added addition, Romper will come to the sale confirmed bred to Mr. JH 20/9 or a registered simmental bull. Simply put, Moreno Ms. Lady Romper offers the complete package of championship-winning style, proven genetics, and performance, making her a rare opportunity for anyone looking to own a female capable of making a lasting impact both in the show ring and in the pasture.

LOT 12 - MOON'S STONE COWNTY - MOON'S CATTLE COMPANY

DOB: 1/31/2026 • ABBA# 1098564 • GRAY • BULL • PHN: 6/11

Moon's Stone Cownty is an exciting young potential herd sire that brings together an impressive combination of phenotype, pedigree, and performance! This is the type of bull prospect that catches your attention with his overall balance, power, and

presence. As you study his build, he is long bodied, big topped, huge hiped, and carries tremendous thickness from behind, giving him the kind of shape and dimension that cattlemen look for in a future herd sire. He is sired by PB Austin 112/2 (P), a Pinnacle Brahman's branded herd sire that combines some of the most respected genetics in the breed. PB Austin 112/2 (P) is sired by Mr. JS Polled Horizon (P) and out of a LMC LN Polled Pappo 136/6 (PP) daughter, LN Polled Beauty 169/9 (P). On the bottom side, the mother to this impressive herd sire is Lee's Miss Sydney Manso 142/0, a highly successful show calf in the state of Mississippi as a calf, who is sired by Mr. V8 347/8 who is an own son of +Mr. V8 458/7 "Noble" and out of Moreno Ms. Lady Ruthie Marie, an own daughter of +BB Bronson 299/3. This powerful maternal lineage adds even more depth, consistency, and predictability to an already impressive genetic package. As you study this bull calf's EPD profile, he ranks in the top half of the breed for weaning weight, yearling weight, milk, scrotal circumference, docility, frame score, carcass weight, and REA, proving his ability to combine performance, functionality, and genetic value. Moon's Stone Cownty represents the kind of future herd sire opportunity that does not come along often, offering the pedigree, structure, and upside potential to make a lasting impact in a breeding program. If you are in the market for a young bull with the ability to take your program to the next level, we highly recommend Moon's Stone Cownty as one of the top herd sire prospects on our list!

JJ Andres Easter Lily is another outstanding consignment from 65R Ranch, and this female is truly one of a kind! From the moment you see her, she demands attention with her striking color pattern, a highly sought-after trait in today's Brahman industry. As you evaluate the overall build and presence

that Lily offers, it is easy to appreciate the style, balance, and performance she brings to the table. She combines a feminine front one-third with added depth and dimension through her center body while maintaining the bold, powerful look that catches your eye from the profile. Her pedigree is equally impressive, as she is sired by BC Mr. Andre 85, who is sired by BC Mr. Southern Ray 58, an own son of +BB Mr. Sting-Ray 10/0. On the maternal side, Lily's dam, DA7 Miss Clementine Alexa, is sired by Mr. R Bernie Mac 108 and out of ME Miss Gabriella 27 (P). As expected from a female of this caliber, Lily also excels in her performance data, ranking in the top ½ of the breed for Birth Weight, Docility, and Frame Score. Opportunities to purchase a red and white spotted female with this much quality, style, and genetic value do not come around often. If you are serious about producing elite spotted Brahman cattle, take note of JJ Andres Easter Lily, because this is an opportunity you cannot afford to overlook.

Some females are purchased for what they have already accomplished, while others are selected for the future they have ahead of them, and DMC Lady Polled Ellie 1/3 (P) certainly falls into that category. She

is a feminine, easy-fleshing female that combines balance, eye appeal, and the kind of maternal quality that lays the foundation for a productive cow herd. Her pedigree is built around proven genetics, being sired by LMC LF Polled Elijah 163/7, an own son of the influential +Mr. H Elijah Manso 281/2. On the maternal side, she is out of LMC HMC Polled Yoli 167/7, a direct daughter of the legendary +Mr. V8 279/7, adding another generation of breed-leading performance and maternal strength. Complementing her pedigree is an EPD profile that ranks in the top half of the breed for Milk, Carcass Weight, and Marbling, giving buyers confidence that her genetic value extends well beyond her impressive phenotype. To make this opportunity even more attractive, DMC Lady Polled Ellie 1/3 (P) sells confirmed bred to a Hereford bull, offering the exciting possibility of a highly marketable tigerstripe calf. If you're looking for a female that combines proven bloodlines, maternal value, and immediate production potential, she is the kind that can make a positive impact from the day she arrives and continue delivering value for years to come.

LOT 23 - LADY H POLLED CARA MANSO 781/4 - T4 RANCH

In an offering where only the most competitive bulls earn a place, Mr. Circle H 454 stands out for his ability to deliver results across multiple breeding objectives. This is a bull bred with purpose—

designed to combine performance, structural correctness, and disposition into one complete package. His sire, JDH Mr. Loyal Manso 112/5, carries the influence of the legendary +JDH Mr. Elmo Manso, one of the most recognized sires in the breed, and is out of +JDH Lady Sany Manso 301/7, a Register of Renown daughter of the highly respected (+)JDH Madison De Manso. On paper, his pedigree speaks volumes, but it's his balanced trait profile that truly sets him apart. With strong rankings in growth, carcass quality, fertility, and docility, Mr. Circle H 454 offers the flexibility to enhance both seedstock and commercial herds. His structural integrity ensures longevity, while his calm, workable nature makes him a bull that's easy to integrate into any operation. For cattlemen who value genetic depth backed by practical performance, Mr. Circle H 454 is a forward-thinking choice built to add both consistency and profit to the next generation.

One of the greatest compliments we can receive is being known for offering cattle that are not only functional and productive but also gentle in disposition, and this female is a perfect example of that commitment. Our good friend Mr. Ronnie Fain of Diamond F Farms in Tennessee has built a reputation for producing quality Brahman cattle, and he has consigned three outstanding females to the Southern Invitational Brahman & F-1 Sale. Ms. DFF Tanasi Doc is a female that will catch the attention of anyone who appreciates femininity, structural correctness, and eye appeal. She combines a refined front end with an angular, attractive profile, plenty of body dimension, and the kind of balance and flexibility that allows her to move with ease while maintaining an eye-catching presence. Built for longevity and productivity, Doc is the kind of female that has all the pieces to become a valuable addition to any breeding program. She is sired by Mr. DFF Tansai Holiday Garrett and backed maternally by Ms. DFF Tanasi Holiday Manso, a daughter of the proven sire MSP Doc Meliton 532/1. Her dam, Ms. DFF Tanasi Doc Manso 112/0, also traces to MSP Doc Meliton 532/1 and is out of BUR Ms. Suga Suga, stacking generations of predictable maternal genetics and proven production into one pedigree. Beyond her impressive phenotype and pedigree, Doc offers a balanced genetic profile, ranking in the top 15% of the breed for fat thickness and docility and the top 25% for birth weight, making her an attractive option for breeders looking to improve both functionality and performance. If your goal is to add a sound, gentle, long-lasting female with proven genetics and the kind of build that will stand the test of time, don't miss the opportunity to own Ms. DFF Tanasi Doc.

As you study her genetic profile, her value becomes even more apparent, as she ranks in the top 1% of the breed for Birth Weight, top 3% for CEM, top 15% for Marbling, and top 20% for Milk. Adding even more value to this exceptional offering, this female sells with a bull calf at side sired by Southern Mr. 20/19 and will be bred back to a registered Polled Hereford bull, creating the opportunity for a potential 3-in-1 package. For the progressive cattleman looking for productivity, proven genetics, and the opportunity to add a valuable breeding piece to their program, DPR-ABF Empress Sunshine 360 is an opportunity you cannot afford to miss.

JLY MISS 529/7 (P) (529/7)

WV DTF Bella Rae (P) is an outstanding young female from first-time consignors, Double Trouble Farm of West Virginia, and she is proof they know how to raise quality cattle. Bella Rae is the kind that demands your attention with her elegant front end, clean lines, and feminine look, while still packing the depth, power, and muscle from behind to be competitive at the highest level. She is sired by LMC LF Polled Ern 192/5 (P), a leading polled herd sire for Drake Farms who is a son of LMC Polled Madison 133/0 (P), while his dam, LMC Polled Erin 138/8, is an own daughter of LMC WFF Pistolero. On the maternal side, Bella Rae is out of LMC Polled Stella Rae 26/1 (P), a polled female sired by LMC LF Polled Amigo 62/7 (P), giving her a pedigree stacked with proven polled genetics and maternal strength. Her genetic profile is equally impressive, ranking in the top 15% of the breed for Marbling, top 25% for Birth Weight, top 40% for Ribeye Area, and top 45% for Weaning Weight. Combining eye appeal, structural correctness, and an elite pedigree with a balanced set of EPDs, WV DTF Bella Rae (P) offers unlimited upside both in the show ring and as a future donor or production female. If you're searching for a green-broke show heifer with the genetics, phenotype, and potential to compete at the highest level, don't miss your opportunity to own one of the sale highlights in WV DTF Bella Rae (P).

LOT 35 - WV DTF POLLED MAVERICK (P) - DOUBLE TROUBLE FARM

(HPP MISS TABASCO WELINTON TE) (743/1)

WV DTF Polled Maverick (P) is the kind of bull that demands attention the moment you step into the pen, combining herd bull presence with the muscle, balance, and structural correctness needed to compete at the highest level. His extra length of body, expressive dimension, and athletic movement make him a standout show prospect today with all the tools to become an influential breeding sire tomorrow. Maverick is sired by ECC Polled Maverick 302/9 (P), an own son of #Bardia Ambassador and out of Miss Double A 468/7, a daughter of Mr. V8 114/6, giving him a pedigree backed by proven performance and breed-leading genetics. His impressive EPD profile only adds to his value, ranking in the top 2% of the breed for Fat Thickness, top 20% for Birth Weight, top 30% for Marbling, top 35% for Scrotal Circumference, and top 40% for Calving Ease Maternal. Whether you're looking for a competitive show bull, a dependable herd sire prospect, or a long-term investment backed by elite genetics, WV DTF Polled Maverick (P) checks all the boxes. Opportunities to purchase a young bull with this combination of phenotype, pedigree, and genetic merit are hard to come by, so don't miss your chance to own WV DTF Polled Maverick (P)!
